SPECIFICATIONS

Overview

If you've been looking for a classic Bertram 20 "Moppie" that has been gone through from top to bottom, then look no further! "Moppie" was built on the original Dick Bertram race boat deep-v-hull and came in various models- this one being the day-boat cruiser. In 2010, she was re-powered with a Mercruiser 5.7 crate motor and Bravo III out-drive. At this time, the boat was painted, all the wiring and tankage was replaced, and the transom was completely rebuilt. She also has custom teak back-to-back driver and passenger seats, newer gauges, shifter, anchor pulpit, stereo and two custom aluminum jump seats on both sides of the engine pod. She's a real head-turner and, although not a museum-quality restoration, she's turn-key and ready to be used today. She cruises easily at 20 knots and tops out around 40. She also has a completely custom 2010 aluminum double-axle trailer and pulls wonderfully. Don't miss out on this beautiful girl!

Basic Information

Category: Cruiser

Sub Category: Cabin Cruiser

Model Year: 1970

Year Built: 1970

Country: United States

Registration #: AL-2247-WA

Vessel Top: Open

Dimensions
