## Hunter Provided Description

---

Versatility and comfort best describes the Hunter 466.

Whether owners want to cross oceans or bays, bang around the buoys or just live-aboard, this boat has the capacity to do it all.

Salon and Dinette areas are large enough to handle the crew, but intimate enough for just two. Storage is plentiful as is the natural light and ventilation ( 2- Stainless Steel Dorades). Hand-rubbed teak and exquisite fabrics are in evidence throughout the grand interior. Entertaining is gracious with the open salon which incorporates a TV and CD stereo. Twin comfortable seats and a convertible cocktail table are located just forward of the extensive navigation station with plenty of space for electronics and gear.

An innovative forward head arrangement splits the shower and head so both can be used at once.

Galley - A large dual-opening refrigerator and freezer are central to the U-shaped galley. The Force 10 stove and oven, plus a microwave will make dinners a joy to prepare, while the island sink will have cleanup covered. Storage for everything is at hand including the recessed trash receptacle.

Master berth - The forward master stateroom rivals most yachts twice her size. Twin hanging lockers and lots of drawers make staying aboard easy and a great night's sleep is guaranteed by the innerspring mattresses.

Aft, owners have dual staterooms. Both are large, airy and comfortable.
