SPECIFICATIONS

Overview

With this yacht Riva has reinterpreted the concept of an open yacht characterized by a typical Mediterranean style while preserving the unmistakable elegance of the entire range: class, charm and a sober look. Designed with an eye to the outer lines of the Vertigo - a very successful classical model in Riva's range - the 63' Virtus also draws inspiration from the Rivale's strong personality, while also ensuring more spacious areas that guarantee excellent livability and total onboard comfort. This last-generation open craft has been conceived as a sporty yacht, created for an Owner that wants to experience the sea first-hand.

DETAILED INFORMATION

Description

Elegance, harmony, style. These are the most suitable adjectives for describing the Riva 63' Vertigo. Once again, Riva and Officina Italiana Design accepted the challenge of reinterpreting the "Open" creating a model on the borderline with the concept of "coupé". The resulting yacht features the style of all the yard's products. Innovative and different to its predecessors, this yacht features elegance and design. 63' Vertigo's aristocratic lines barely conceal its spirited character. The harmoniously slender profile is emphasized by the roll-bar design, creating a large open area to the rear of the cockpit, accentuating its gritty spirit.

Exclusions

Owner's personal belongings.
