SPECIFICATIONS

Overview

This 43/47 Sea Ray Sundancer 2009 is one of the manufacturer's premier designs of recent years and features the Zeus pod drive system with 'joystick' for stress free docking. Coupled with the optional T-480 HP Cummins diesels and upgraded 13.5 Onan generator, this 43/47 Sea Ray Sundancer offers one of the most outstanding packages available. It also includes many other desirable features such as the enclosed bridge with retractable sunroof, helm reverse cycle (AC/heat) climate control, abundant seating, wet bar, cockpit grill, and U-shaped lounge with table. The interior design is more than ample for two cruising couples with two staterooms, private head and shower compartment, an upscale salon, and a well thought out galley with high gloss cherry cabinetry and optional wood flooring..The 43 and 47' Sundancer is the same boat. In 2010 Sea Ray changed the 43' Sundancer to the 47' Sundancer to better represent the 47' 3" length overall.

"Another 21" is very well equipped, has been well maintained and is in top condition mechanically. Both Pods totally rebuilt with all upgrades made to date. Full annual engine service just completed March 2015. Owner moving to UP and looking for offers. Price just reduced! Vessel in excellent shape. Call for a showing.

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturers Description

The 43 Sundancer comes standard with twin Cummins MerCruiser QSB 425 Diesels mated to Zeus drives-individually articulating pods that offer up to 15 percent better fuel economy and 15 percent faster top speeds than regular inboards. Plus, the Zeus-equipped 43 Sundancer provides a more comfortable ride because gear noise and vibration are significantly reduced. Optional power includes twin Cummins MerCruiser QSB 480 Diesels with Zeus drives. Above the waterline, the 43 Sundancer is everything that discriminating boat owners have come to expect from the definitive express cruiser series on the water. It starts with a trademark reverse sheer line, below which are two oversize hull windows and 10 portlights. A hardtop integrates seamlessly with the windshield for the ultimate in weather protection and climate control (16000- BTU helm airconditioning/heating is optional), yet you can still let the sunshine in thanks to two retractable skylights.

The captain will enjoy that sunny warmth from a double-wide helm seat with flip-up bolster and armrests. It slides and adjusts vertically in front of the gel-coated dash with Smart Craft Vessel View Display and MerCruiser digital throttle an shift. To port, guest can lounge on the big L-shaped bench. The seating options continue in the cockpit, which boats a U-shaped lounge flanking a convenient figerglass table; a wet bar opposite features a solid-surface countertop, sink and icemaker-or you can opt up to the removable flatscreen TV, stainless-steel barbecue grill and refrigerator.

At its heart, the 43 Sundancer is a boat that will make owners feel comfortable in any situation, whether it be driving, docking, entertaining, or cruising with friends and family.

Helm

The enclosed bridge area you will find two retractable sunroofs with sunshade,, overhead lighting with dimmer, large wrap-around windshield with opening vents. A 16000 BTU air-condition provides air or heat for the ultimate in climate control.
