SPECIFICATIONS

Overview

NASSICA A is an elegant yacht built by the famous Spanish shipyard Astondoa in 2001 and had a complete refit in 2006 and now another refit in 2015. Its sleek blue hull enhances her design. Its total length is about 30 meters and is powered by 3 engines of 1,300hp each allowing to reach a cruising speed of over 20 knots and a maximum speed of 24/25 knots. All floors and paint were redone in 2006 as well as brand new galley and the installation of the zero-speed stabilisers track 300. Nassica A has a large interior space with capacity to sleep up to 10 people, 2 dining rooms and a very large living room. The space offered is undoubtedly the same as on a 35m yacht as well as like its ample equipment list. The fly bridge is one of the best areas thanks to its large solarium, dining table and the wet bar with an exceptional BBQ. Nassica A is one of the best yachts of its kind to make you feel like you are in a yacht of much greater length. * Has charter license in Spain and with a very good charter track record.

Basic Information

Category: Motor Yacht

Sub Category: Flybridge

Model Year: 2001

Year Built: 2001

Refit Year: 2006

Refit Type: Mechanical & cosmetic

Country: Spain
