## Manufacturer Provided Description

---

Regulator combined the two decades of constant improvements on the venerable Regulator 26 and added on all the cutting edge in offshore design and fishability the renowned naval architect Lou Codega had to offer. Taking the tried and true and moving toward newer and better. Then strap on the advanced power of Yamaha F300 V6 twins and the Command Link Plus controls and the Regulator 28 FS is ready for anything from the bays to the canyons.
