SPECIFICATIONS

Overview

This is a well-specified example of the ever-popular Sunseeker Manhattan 70. She is well-appointed, tasteful and in extremely good condition. She really has to be viewed to be appreciated. Taken in as a part-exchange she is sold as a Dealer-Approved boat with low hours, full service history and she has been skipper-maintained with no expense spared. This is a superior example which should be at the top of any potential buyer's shortlist. A pedigree one-owner four-cabin boat, of the purest quality, offered at a good price. A very strong opportunity - do not miss out!
