The Countdown is Here!

Come See "Gregarious" at the

Palm Beach International Boat Show

March 17-20 Ramp 6; Slips 620-623
****Trades Considered****

This 43 Jarrett Bay Hardtop Express Convertible is unique in a number of ways. "Gregarious" is highly customized and features Cummins pod drives which were engineered into the vessel providing space for two luxurious staterooms. The forward bow is a full size walk around and the aft stateroom provides side by side twin berths. "Gregarious" is built with the main helm within the enclosed salon, along with a Palm Beach Tower to provide good visibility when fishing. This boat is a must see with full teak, mezzanine, covering and coaming boards, teak toe rail and transom. The Cummins engines have extended warranties for 3000 hours and/or 6 years through October 17, 2020, the pods have 2000 hour extended warranty and/or through October 17, 2019 and the generator has Extended warranties of 3000 hours and/or through October 17, 2019.

ПОДРОБНОЕ ОПИСАНИЕ

Interior Layout

As you enter the salon, you'll find a dual-functioning helm and saloon space wrapped in the richness of custom book-matched Ropey cherry veneer and trim accents. As an accent wood which is both luxurious and durable the Sapele is matched with maple on the floors with a satin finish throughout. Sapele lumber runners are also used in the headliner to accent the cabin. Two Stidd helm chairs with a matching electronics dash wrap are the foundation for the interior driving station with pod joystick controls.

Aft, you will find a sofa with dry storage underneath and in the aft corner, the Jarrett Bay signature bucket seat. Down below you'll find a well-appointed galley with hidden Sub-Zero refrigerator units, a hidden microwave and maximized storage space and cabinetry.

Built with Canyon overnights and extended Caribbean cruising in mind, the Jarrett Bay 43 HTX comfortably sleeps four in a forward queen berth stateroom and a side-by-side bunk room beneath saloon. This unique bunk room bonus space is afforded due to the smaller footprint needed for the engine room thanks to the compact pod drives. The queen bed lifts for custom rod storage, and hanging and storage lockers are found centrally and on the outboard hull sides. If you notice, you even have the luxury of a sitting area in the master.

Keeping things custom all the way into the head, here you will find a hand-carved, high-gloss Sapele sink and matching counter top, custom wallpaper and a teak trimmed, seamless glass shower entrance.

Extras Layout

Look down after dusk, and you'll find your own aquarium forming around custom underwater transom LED lights. Walk forward safely using a hidden finger rail on the cabin sides to access the custom anchor pulpit and windlass, and look back at the wide-view wrap-around windows with wipers for maximum visibility in unfavorable conditions. Look up to find FLIR technology, custom LED tower lights, pod joystick controls, teaser reel remote, and actuated storage drawers all conveniently accessible in the Palm Beach buggy top.

Wrapping it all up in a shiny Alexseal Kingston Grey coated hull, a Josh Everett Nautical Designs hand-painted transom, and topped off with a custom buggy top, the "Gregarious" is ready to share the quality, passion and dedication of Jarrett Bay's custom Carolina construction with all she may encounter.

Cockpit Layout

With an intent focus on the business-end of this Jarrett Bay, the owner & captain's cockpit order definitely did not fall short on any detail. Ensuring access to the twin 600hp Cummins QSC motors and Zeus pod drives did not encroach on deck space, the 43HTX's hydraulic cockpit declift delivers in both form & state-of-the-art function. Making the most out of all spaces, the mezzanine not only serves as a comfort station complete with an ice maker and drink coolers, it also provides bait storage and functions as an aft helm station with pod joystick controls in a recessed compartment. Also serving double-duty is the stern fishbox that doubles as a live well. Keeping the aft deck space clear of clutter from head to toe, the electric teaser reels are flush mounted into the cabin overhang, and a low-footprint Release Marine Battle Saddle perfectly complements Jarrett Bay's finely crafted teak cockpit accents, as well as the custom metal, CNC-cut Jarrett Bay logo drain covers.

Most importantly teak matched cockpit, mezzanine, covering and coaming boards as well as teak tow rail, transom and pulpit

- Teak Mezzanine
- Navy/Tan Mezzanine cushions on either side of the center line door to the cabin
- Teak cockpit
- Teak Covering boards and gunnels
- JBBW logo drain stainless covers
- Aft helm station with pod joystick controls recessed in mezzanine deck, also houses a USB port for ipad linked to the furuno helm electronics
- electric teaser reels in overhang
- Lighting in overhang
- Dual purpose livewell/fishbox - transom
- Eskimo Ice system feeds the cooler under the port mezzanine deck
- Freezer and tackle storage compartments - mezzanine deck
- doors to gunwale provide access to washdowns, receptacles for electric reels and Glendenning shore power reel.
- Release Marine Battle Saddle
- Rod holders, gunnel
- Opening hatch to engine room

Salon

"Gregarious" features a completely enclosed, air conditioned house with lower helm station. Entering the salon, just off the mezzanine, is simplified by an electronically operated door. Inside you'll find the interior built from Ropey Cherry. The floors throughout the salon, galley and head are made of Africian Sapele with maple border strips. While the focal point of the salon is the inside helm supported by twin Stidd helmchairs, aft you'll also find a luxurious lounge to port which is directly adjacent to the entertainment center. And just aft of the TV, a built in barrel chair, just inside the salon door.

- Electric salon door
- Ropey Cherry satin wood
- Africian sapele wood floor with maple boarder
- Twin Stidd helmchairs
- Lounge to port with storage underneath
- Barrell Chair
- Flat Screen TV
- Headliner with accent wood strips
- Large windows, 360
- Forward windshield with windshield wipers
- Helm Station with Electronics.
- Over head lighting
- Rope lighting under lounge and forward hem pedestal
- Electrical panel

Galley

Down below, you'll find a fully equipped galley. Ropey Cherry cabinets conceal everything nicely to include a pair of subzero refrigerated drawers; drop in freezer, set into the galley countertop; microwave; and purpose built drawers or doors reveal additional storage.

In the galley deck, you'll find a hatch for additional galley stores, and to starboard, a cleverly laid out sette with a cutout which allows you to stretch out for those long trips offshore.

- Ropey Cherry Cabinetry
- Granite Countertop
- Freezer recessed in galley countertops
- Twin Subzero Refrigerator units
- Microwave oven hidden behind doors
- Lounge
- Deck hatch with storage
- Door access to staterooms and head
- Sink with garbage disposal
- Lighting
- Receptacles

VIP Stateroom

Forward in the bow stateroom you will find a walk around berth with storage underneath and plenty of storage on the hullside and aft in twin hanging lockers.

- Pedestal Double Bed (lifts to access a large storage area beneath)
- Cherry cabinetry and berth keeper

- HullSide Cabinery to port and starboard
- Carpet
- Sitting area
- Bunkcovers, shams, and throw pillows
- Cherry nightstand
- Raised panel entry door
- (2) Hanging Closets
- Recessed Lights
- Stereo Controls
- Lighting & Room Temperature are concealed under the headboard

Aft Stateroom

Just under the salon floor you'll find side by side berths with lots of room and full headroom with plenty of storage.

- Twin Beds, port berth raises for storage access
- Bunkcovers, shams and throw pillows
- Cherry lower cabinetry and berth keeper
- Large dresser-type cabinet centerline with drawers underneath
- Hullside cabinetry
- Carpet
- Headliner and wallcovering on the hullside
- Interior lighting
- Hot-water system (under starboard bed)
- Accumulator tank (under starboard bed)
- Storage Area (under port bed)
- Receptacles

Head

The Single head is a masterful hand-carved, high-gloss Sapele sink and matching counter top, custom wallpaper and a teak trimmed, seamless glass shower entrance.

- Marine Head
- High gloss sapele sink and matching countertop, custom faucet
- custom wall covering and headliner
- Shower with glass door
- Cherry wood cabinet below and above with mirror
- Lighting
- Wood flooring
- Towel holder
- Raised panel cherry entry door

Exterior

"Gregarious" is painted with an Alexseal Kingson Grey hull and Aristo blue boot stripe, and the upper hull sides are cloud white.

- Painted Alexseal Kingson Grey hull with Aristo Blue boot stripe
- Alexseal painted super, cloud white
- Undersides of the Palm Beach tower are painted grey as is the upper pipe work
- teak toe rail
- Teak and stainless steel pulpit supports a stainless steel anchor and chain
- Teak Transom
- Palm Beach tuna tower 5'6" gap. polished pipe
- Rupp center rigger
- Rupp outriggers on hardtop
- MIA EPOCH US9 HDr electric teaser reels with remotes
- Lumitec mirage tri color lights for cockpit overhang
- Recessed cradle for a six man Zodiac life raft
- Tower controls feature traditional levers and a joystick with transfer unit and digital readout, along with controls for the ACR spotlight; Furuno LCD and a R33; remote control system allowing the MIYS Epoch US9 Reels to be adjusted; VHF and Hailer for communication to the console face
