Overview

"H2OME" is a 2013 Hatteras 80 MY custom built for the original owner and has been recently enjoyed by the current owner now whose plans have changed. One of the first 80MY built by Hatteras with new custom hardtop, bridge layout and modern décor package and unlike any other built by the factory.

Her Dark grey painted hull sides with matching radar arch adds to her sleek profile and powered by pair of UPGRADED CAT 1925hp engines she runs great. Has balance of the 60 month Platinum ESC extended warranty till February 2018. Has Hydraulic Stabilizers and Hydro bow and stern thrusters.

"H2OME" is a 4 stateroom layout with full beam master with His and Her heads, Queen VIP and port and starboard Staterooms with custom layouts. Has crew quarters for 4 with private room for captain and bunks for 2. The lighting onboard is LED and has 8 underwater Aqualuma lights. UPGRADED Insulation under every floor throughout which makes interior very quiet.

She is equipped with CUSTOM hydraulic swim platform, teak steps, Custom stand up shower aft deck area. Aft fly bridge teak decking UPGRADE, and AJ originals high gloss teak table tops and teak bar in aft deck. Fold down wing station, CUSTOM built electric sliding stainless salon door (24" added space).

Has a country galley/kitchen arrangement with island with wine cooler and great storage and fridge/freezer and drawer fridge too. Top of the line appliances with full size Refrigerator. Stone countertops with Fisher Paykel dishwasher. Large Dinette area with stone top and S/S legs.

She offers Day head on main level and large stairwell leading to Mid ship master with CUSTOM hull windows with electric blinds, His and Her head. Master has a safe, upgraded AV package, and fridge too. Wood done in Walnut satin. VIP has queen berth and large head PLUS 2 large guest cabins that have 2 single beds or move together for double berth.

H2OME has a custom fly bridge and extended coverage with electric sunroof. Helm area is enclosed with Seacrylic glass and has AC as well. Large helm seating with companion STIDD seat to Starboard, Large U shaped seating with large Bar area with T-back stools on port side. Has 2 large Frigbar freezers and CUSTOM 4 burner grill. Bar, dining table and Freezer tops in High gloss teak wood made by AJ originals.

The bow area offers U shaped seating area which makes for great area to enjoy sun and relax. Large walk around decks and easy access to bow and aft deck. Great boat for chartering or having crew to run for family and friends to enjoy. Great crew area for

3-4 aft which makes perfect for owner and guests privacy. Also has Crew area washer/dryer and 1800 GPD watermaker for extended cruising.

She is a true One-of-a-kind CUSTOM built Hatteras with newly redesigned interior and exterior features that makes her special. Will not be disappointed and MUST SEE if you are in the market for 80 ft plus yacht. Call Mike Doyle for more details.

She is a true One-of-a-kind CUSTOM built Hatteras with newly redesigned interior and exterior features that makes her special. Will not be disappointed and MUST SEE if you are in the market for 80 ft plus yacht. Call MarineMax Yacht Center for more details.

Exterior Details

Convex Hull Shape. The 80's hull shape features a "warped" bottom with a sharp entry forward and highly variable deadrise that becomes nearly flat at the transom. The convexity of the bow lessens wave impact and results in an incredibly smooth ride in head seas. Flatter sections aft reduce water resistance, improving handling at low speeds and increasing stability while planing. Specially designed strakes that bisect the stagnation line (the point at which the water's surface meets the hull bottom once on plane) provide additional lift and improve tracking in all conditions. Double chines and a flared bow deflect spray out and away from the boat. There's simply no better ride in the industry.

Solid Fiberglass Hull. Like all Hatteras models, our 80 is founded on a solid fiberglass bottom that includes sturdy support in key areas like the hull tunnel, shaft log, and strut locations. Divinycell coring is infused into the hull sides, decks, and superstructure to add stiffness and reduce weight. The hull also benefits from an advanced variable-deadrise design that utilizes large propeller tunnels to reduce draft and increase efficiency.

Sleek Lines. A side view of our 80 Motor Yacht shows off her stylish curved windows, swept-back radar arch, and three oval portholes that light the master stateroom — all of which combine to create an elegant, yet aggressive profile.

Upper Deck. The 80 optimizes outdoor pursuits with an expansive flybridge that includes a 1,500-pound hydraulic davit and a helm station with a full electronics suite and computerized systems monitor. Distinct social areas start with a giant wet bar to port that has three bar stools, a refrigerator, a sink, and an icemaker. Aft, two opposing L-shaped settees can host a crowd and then some. Sun worshippers will love the voluminous sun pad with storage beneath, while backyard chefs will look forward to heating up the double-burner Gaggenau® grill. A hot tub is available as an option.

Accommodating Aft Deck. Step down the molded-in stairs to the aft deck, where a large table and lounge provide breathtaking scenes at anchor or while under way. Overhead lighting and a curved, stainless-steel-framed sliding door accent the area. Access to the "sport deck" swim platform is by way of molded stairwells to port and starboard, which are guarded by stainless-steel gates. A watertight door on the sport

deck provides access to the crew quarters and engine room.

Interior Details

Extreme Luxury. Curved sliding doors framed in polished stainless steel lead to a vast salon that benefits from the 80's massive 21'3" beam. A wet bar just inside the door is accompanied by a full entertainment center with a massive flat-screen TV. Custom furnishings include a sectional sofa with storage, club chairs, and a grand china cabinet — all complemented by the genuine African mahogany laminates in either a satin or high-gloss finish. Dining aboard the 80 is an elegant affair thanks to an oval table with decorative mahogany inlays that resides under a mirrored headliner. Hatteras also includes a generous china allowance as standard; a wine cooler is optional.

Gourmet Galley. In the forward galley, the need for functionality is tempered by tasteful fashion. All countertops and backsplashes are granite for easy clean up and timeless style. Appliances include a dishwasher, trash compactor, Sub-Zero® upright refrigerator, microwave, full-size oven, and four-burner ceramic cook top.

Driver's Dream. The Hatteras 80 puts the fun back in yachting with her sporty bridge design and excellent visibility through two oversized windshield panels. Leather pedestal helm seats and two elevated settees allow everyone to view the scenery in plush comfort, while a sliding pocket door closes to separate the pilothouse and dining area. A day head sits to starboard; pantograph doors offer access to both side decks.

Royal Accommodations. The crown jewel of the 80 is her full-beam master suite, which takes full advantage of the yacht's significant beam and six oversized portlights. The combination of spaciousness, natural light, and water level views will stun all who step through its sketch-face door. The master features a king-size berth with custom headboard, two nightstands, a double-sided dresser, and arched doors. A flat-screen TV with CD/DVD player provides entertainment options. Aft of the berth lies the master head, which features granite or marble flooring, countertops, and shower. An enticing optional arrangement includes a his-and-hers head with separate entryways, dual vanities, and a shared shower between.

Hatteras Hospitality. Family and friends get the VIP treatment in the main guest stateroom to port. A queen-sized berth is fitted with a coil-spring mattress and plush linen; storage below is accessed via pneumatic rams. Multiple drawers and cabinets along the hull sides and bulkhead offer abundant stowage. The private head features granite or marble flooring and countertops, as well as a soaking tub with sliding door. Additional guests are no less spoiled in the spacious bow stateroom with queen-size berth, as well as the starboard stateroom that offers an array of bunk options. Standard crew quarters abaft the engine room consist of a single stateroom with walk-around queen berth, plus a separate sitting area. Cedar-lined lockers, a flat-screen TV, sink, and microwave oven assure the crew of self-sufficiency.

Sport Deck

- Hydraulic swim platform by Nautical Structures UPGRADE
- Custom chocks for jet ski UPGRADE
- Custom full stand up transom shower (hot & cold) UPGRADE
