SPECIFICATIONS

Overview

Jefferson Eleven is a fully equipped Azimut 62 and could arguably be one of the best maintained, available in the Mediterranean today.

The hull is built to RINA standards. Construction includes foam-cored sides and superstructure and composite watertight bulkheads. She encloses stylish interiors and an intelligent layout, making the full of its spacious living areas. Her performance is still impressive.

Jefferson Eleven is a real owner / driver's boat, yet is also a private boat for escaping with family and / or friends.

She comprises of three cabins, the VIP guests' cabin in the bow also has its own island and walk-in robe. There are en suites with vacuflush heads, separate shower stalls and extractor fans. The full-beam master cabin is accessed down its own companion way. The boat has a third cabin with two single berths alongside a third head that doubles as a day head. To this you can add a crew cabin in the stern of the boat, accessed under the rear lounge in the cockpit.

She is full of amenities including scuba tanks, diving equipment, a two seated dive scooter, an YP 35DF dive compressor.

It is also important to note the optional electric stern thruster, the joystick docking controls, beautifully finished cherry wood table, ice maker in the cockpit, 24v Opacmare gangway, Sea Yacht Power 12kW converter to switch between europe and north america 110v - 220v and the nautica deluxe dinghy that can reach speeds in excess of 40 knots!
