SPECIFICATIONS

Overview

The OTAM Millennium 55 Hard Top sets the standards for express yachts with a blend of sophisticated styling, exhilarating performance, and lavish accommodations. She features a luxurious interior and airy cockpit. Her aggressive yet obedient design insures you will not blend in with other vessels.

On deck is a large cockpit with lounge seating and a spacious sun deck. Proving that style, luxury, and performance are of most importance. Below deck is an open salon and full galley. Lavish accommodations and luxurious salon seating provide a break from the sun with room to entertain or unwind. She features Caterpillar C32 engines up to 1724 horsepower. Arneson surface drives convert all that power into performance with a top speed of 57 knots. The engine compartment is expertly insulated to provide a quiet and comfortable interior.

The resulting design has provided OTAM with a yacht that has an incredibly smooth and responsive ride.
