DETAILED INFORMATION

Accommodations

The 92' convertible has six staterooms, including a crew stateroom with private access through the cockpit. The full beam master suite features a king size walk-around bed, walk-in closet, dressing table, and his and hers head.

Salon

The yacht's interior is a showpiece of elegance for luxurious entertaining. The 24' beam not only opens the salon thru double sliding glass doors but transforms it into a majestic living room with built-in furniture and plush appointments such as a 65" flat screen TV that rises on a lift out of the lush cabinetry. To starboard, there is a wet bar and walnut cabinetry. To port, a large U-shaped settee provides plenty of space to relax. A dining room table with seating for six is forward of the sofa. There is a day head forward making for convenient access from the salon area. The L-shape island in the galley complements the work area and all counter tops feature custom granite.

This entertainment area features an extra seating area with two free standing upholstered chairs. A staircase leads to the enclosed bridge.

Galley

The Galley is fully equipped with all the needs and desires of the chef, including a stainless faced Miele oven. Forward of the galley is a walk-in pantry that provides tremendous storage ability and also has a bunk if additional sleeping quarters are needed.

Companionway

Starboard of the stairs is a laundry area with stacked washer and dryer. Custom rod storage has been added to compliment the other custom rod storage under the salon sofa.

Master Suite, Aft

The master suite features a king bed with an upholstered head board, flanking night tables, a large walk in closet, and a beautiful his and her en-suite head with granite counter tops.

Additional Guest Staterooms

Each of the four additional staterooms, feature its own private head and shower. To port, there are two staterooms; one features an athwart ship full size berth, while the other forward stateroom features side by side bunks with storage beneath. To starboard is a stateroom featuring a queen size walk-around berth. The forward stateroom also has a queen size walk-around bed.

Crew Quaters

Crew quarters are aft with access from the cockpit. The full beam area includes a head with a shower, a small galley area, and upper and lower berths in a private cabin.

Enclosed Bridge

The enclosed bridge is accessed off a stairwell in the aft portion of the salon and practically equates to having a second salon. Triple Stidd helm seats (two doubles and a single) face the helm station and its impressive electronics. A large L-shaped sofa and reclining chair provide additional space for relaxing and a place to enjoy the ride.
