SPECIFICATIONS

Overview

A well kept low hour example of one Ferretti yacht's best model ever. A four stateroom layout plus crew quarters, with a large salon and cockpit area, the 680 Ferretti feels like a much larger yacht. Having just completed a yard period, in which the bottom was sandblasted and new bottom paint applied, props reconditioned and engines serviced, she is in great working condition. A true performance yacht, on a recent sea trial she achieved a top end speed over 35 knots. Only 650 hours on MAN engines.

*****NOTABLE FEATURES*****

- Only 700 Hours on MAN 1200HP engines
- Bow and Stern Thruster
- New Simrad Electronics in 2015
- New AV equipment in 2015
- Bottom Sand blasted and new paint applied, props reconditioned in 2015
- Newer interior soft goods(carpet, salon sofa) in 2014

DETAILED INFORMATION

Manufacturer Provided Description

The Ferretti 68 is the result of the constant evolution of this Italian firm's design philosophy, its goal being to bring together in harmony the elements of practical design and sporting performance. While the owner of a new Ferretti 68 can take pleasure in driving this motoryacht, the guests can derive pleasure from the balanced interior. From the air conditioning system to the desalination equipment, from the electrical installation to the electronic equipment, everything onboard a Ferretti has been designed to make life enjoyable and reliable. There is space on board for a tender, a jet ski, and a surfboard so that when the guests want to play, everything is there for watersports enjoyment. The warm, embracing environment inside is a result of the use of the finest woods and the richest fabrics. The layout of the staterooms can be varied, allowing an owner to customize the Ferretti 68.
