SPECIFICATIONS

Overview

This gleaming beauty was delivered new at the factory to her current owner . She lived on Lake Champlain VT for several years and arrived in Florida just this spring. She was outfitted with upgrades and custom features not found on most comparable boats. Her interior shows nearly new and her topsides sparkle. She is equipped with the preferred Caterpillar engine package and will cruise comfortably and efficiently to the Bahamas and beyond. This is a big, heavy 65' boat and that is why she delivers the ride quality and interior and exterior volume that has made this series highly desirable.
