SPECIFICATIONS

Overview

CAFE LATTE 1 is the popular and hard to find 2 cabin layout with a separate office. This two owner vessel has **under 500 hours**. Moderately equipped with **bow thruster, electronics, A/C and 8k Generator**. The distinct Sable Brown Awlgrip hull is a pleasant contrast from the standard white hull. CAFE LATTE 1 will make a comfortable live aboard and Island explorer. CAFE LATTE 1 is currently on the hard for the season and easy to show.

Sellers plan changed, therefore will consider all written offers.

Accommodation

CAFE LATTE 1 is the popular 2 Stateroom layout. Upon entering via the gently sloping companionway, immediately to Port is the fully equipped galley. Featuring generous counter and storage. The double sink, three burner stove/oven and refrigeration are perfect for meal prep and storage. For those who need a home office, just aft of the galley is a large office which includes generous work space and built in cabinetry. Forward of the galley is the U-shaped Settee with seating for 8. A double guest stateroom with adjacent head/shower is aft on the starboard side. Forward of the aft stateroom is the Nav station and additional built in seating for two. A comfortable Master suite is forward with adjacent head and shower. Teak and Holly cabin

sole run thru-out. The saloon is bathed in natural light and ventilation provided by opening hatches and ports.

- CO Detector
- Smoke Detector
- Misc. PFD's

Broker Comments

When you first step aboard CAFE LATTE 1 the open layout is inviting and comfortable. With generous headroom, lighting and ventilation it is easy to imagine being anchored in a secluded harbor and feeling at home. Wood work, sole and upholstery show little use. A new owner may want to upgrade the electronics and add an autopilot, but little else is needed. Sellers plan has changed, therefore will consider all written offers.
