SPECIFICATIONS

Overview

January 2016, the yacht was hauled for annual service. The bottom was painted, props balanced and painted, new trim tabs were installed, and new Bimini canvas was installed on the flybridge. Additionally the exterior fiberglass was wet sanded and restored to a brilliant luster. The interior has been completely detailed and the engine room has been steamed cleaned. The seller is interested in purchasing a larger yacht and we invite you to inspect this Carver Voyager today! This Carver Voyager is the only one that is powered with twin 635 HP Cummins Diesels. This Carver Voyager is the only one that is powered with twin 635 hp Cummins diesels.
