## Обзор

This one owner Sea Ray 460 Sundancer exudes pride of ownership in every detail from its flawless cabin, shiny exterior and tidy bilge! There are 3 unique canvas options aft, from a drop curtain, sun shade and full cover. One of the largest domestic express yachts, the Sea Ray 460 Sundancer is an impressive blend of American sporty styling, luxurious accommodations, and state-of-the-art construction. While the styling was perhaps more conservative than most European express yachts of her era, a wide beam and an expansive two-stateroom, two-head floor plan provide the 460 with cabin dimensions that European imports—with their relatively narrow beams—could only envy. Sea Ray interiors have always been among the best in the business, and the accommodations of the 460 are impressive in every respect. The mid-stateroom, complete with an enclosed head and washer/dryer, offers complete privacy behind sliding pocket doors. (Note that the settees in both the salon and mid-stateroom convert to double berth.) In the cockpit, the facing aft settees convert electrically into a huge sun pad. A gas-assist hatch provides easy access to the engine room. An extended swim platform was standard. Twin 446hp V-drive Cummins diesels cruise the 460 Sundancer in the 23-25 knots (28-29 knots top). This boat recently went thru a stem to stern service & detail from A/C systems, full engine service 2014, cooling system flush 2014, new hoses & clamps, impellers, racors, fuel filters, new a/c compressors, new EZ2CY enclosure, new stamoid canvas aft, new batteries, this list is long and distinguished. Don't be fooled this yacht is in great shape all the time not just in preparation for sale. Make your appointment for a private showing today.
