SPECIFICATIONS

Overview

The Riviera's standard two-stateroom, mid-galley floorplan is arranged with a centerline double berth in the forward stateroom and over/under berths in the small guest cabin. A leather-upholstered dinette is forward in the salon, and cabinets and wraparound windows make the salon seem open and very inviting. Topside, the flybridge has bench seating forward of the helm console. (Note that a hardtop was standard.) Twin 480hp Cummins diesels cruise at 25 knots and reach a top speed of 28-29 knots.

The boat has been lightly used every year and has only 235 hours. It has never seen salt water and has never been seriously fished.

Basic Information

Category: Cruiser

Model Year: 2004

Year Built: 2004

Country: United States

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 42' 0" (12.80m)
