SPECIFICATIONS

Overview

This 2006 Chaparral Signature 31 is a well-built weekend cruiser for those looking for a quality product. The Chaparral 310 stands apart from other cruisers her size for her excellent layout and above-average finish. Built on a modified-V hull with cored hull-sides and a solid fiberglass bottom, the interior sleeps six with designer fabrics, and upscale furnishings highlighting the entire cabin, and the galley is notable for its generous storage. Note also that both of the 310's hanging lockers are cedar lined.

At the helm, the tiered, non-glare dash includes space for flush-mounting a full array of electronics. As many as six can be seated in the cockpit where a full wet bar, transom shower, and portable cooler are standard. Additional features include a transom storage locker, extended swim platform, walk-through windshield, double helm seat with bolsters, and foredeck sun pad. Twin 280hp Volvo stern-drives cruise in the mid 20s (about 35 knots top). Don't miss this opportunity on a well cared for 2006 Chaparral 310.

Basic Information

Category: Cruiser

Model Year: 2006

Year Built: 2006

Country: United States
