DETAILED INFORMATION

Accommodations

This vessel/engine combination has been fine-tuned for a quick get-up-and-go configuration that will top out at **70+ MPH** at wide open throttle. The 42' Motoin SF is Powered with Quad 300 Mercury Verados. This Motion Center Console is configured with a twin berth layout that are **Air conditioned**. They include a forward birth (sleeps 2+) as well as a midship birth (sleeps 2). The custom 6 post tower & both rows of helm seating were designed and installed by Miami's premiere welder, Pipe designs. They were both made with the strongest and lightest metals available. The top and seating are not only gorgeous, but extremely durable. The control station lay-out was meticulously configured with ease in mind! It is backed by a very appealing carbon fiber background and the electronic screens are in plain sight. She is also coupled with the easy to use Mercury Vessel View command centers, and digital fly-by-wire mercury throttles. Cabins are **air conditioned**, LED lighting comes standard, Fine Line interior, and the deck is lined with teak floors. The births were designed with simplicity in mind and provide ample head room.
