SPECIFICATIONS

Overview

The Performer 32 is a fast offshore fishing boat designed specifically for the day fisherman who regularly runs to one of the many Atlantic canyons. The 23 degree deadrise along with prop pockets make this boat a high performance fishing boat. It was repowered in 1998 with Cummins 330B engines and new ZF IRM 220 transmission. This is a one owner boat.

Brokers Comments

The "Canyon Surfer" is what I would consider a "project" boat. This vessel has a good pedigree and very good bones. But it does need help in a couple of areas. Please call to get more information this unique boat.

Exclusions

Owner's personal belongings.
