DETAILED INFORMATION

Features

Akula is a custom 37' Billy Knowles Walk Around. Considered by many, including Nick Smith, to be one of the finest mid-sized Walk Around fishing boats ever built. She has just finished an extensive refit including Cummins factory reconditioned QSB 380 hp engines with warranty, electronic controls, complete new wiring, hoses, electrical panel and paint inside and out. Akula delivers that elusive combination of economy, speed, maneuverability and fishability. Her soft, dry ride and seaworthy manner will impress the most experienced professionals. Akula is ready for her new owner to personally customize her with an electronics package. This one won't be around for long. She is a classic head turner available at a fraction of her replacement value.
