Experience the thrill of the Ocean Master 34 Fisherman with the Security and Fishability of twin diesel inboards. This boat is best described as a stunning combination of beauty and fishability. Designed with the long-range fisherman in mind, the 34 can cruise comfortably at 27 kts while getting 1.5 mpg, providing a range up to 450 miles. With its strong 20-layer fiberglass modified-V hull and its massive stringer system, the 34 is built to take all the punishment of those long offshore trips. Designed for optimal offshore fishing, the 34 Center Console offers 225 square feet of deck space. The Standard and Super Console models are hardcore fishermen with overnight accommodations for four people and an optional head under a lift-up hatch. The 34 Walkaround combines performance with true 360-degree fishability, while the 34 Fisherman is available with a walk-around cabin that still leaves an abundant 155 square feet of deck space. Comfortable V-berths, a roomy head, make it perfect for any canyon fishing expedition or family cruise.
