With its unique split-level accessibility, the huge aft deck is just a few steps from both the flybridge and the salon. This spacious living and entertaining area offers excellent visibility and plenty of fresh air with large tinted sliding glass side windows.

Additionally, this fully air conditioned space features a full furniture set including sofa, love seat, end table, 2 chairs, coffee table and dinette table.

Overlooking the stern is an EZ2CY enclosure that has mesh screens to keep out the sun and heat when desired.

Also on the aft deck is a full wet bar with icemaker, sink, 40" flatscreen TV and a ton of storage space for drinks.

Salon

For the ultimate onboard living and entertaining versatility, the salon layout places the galley and dinette on the same level while making good use of the generous 17'5" beam. Included are a galley with all the modern amenities, a nearby dinette and a large L-shaped sofa. A large T.V. located above the dinette hides away behind rich cabinetry.
