## Overview

---

Gravitas shows much newer than its age; your first and lasting impressions will be WOW! You will immediately note the shiny gelcoat and overall upkeep. Mechanical equipment maintained in “ready to cruise” manner. Just completed annual routine maintenance of engines and generator and servicing transmission coolers. Gravitas also has new electronics! Plus, the interior was refreshed with all new soft goods in 2010. This Post is labeled a 46 and was the last 46 built before the new model 47 was introduced but this last 46 actually has the updated Plan B layout of the 47.

### Accommodations

---

This Post is labeled a 46 and was the last 46 built before the new model 47 was introduced but this last 46 actually has the updated Plan B layout of the 47. This boat shows much newer than its age; your first and lasting impressions will be WOW! You will immediately note the shiny gelcoat and overall upkeep. You board over the cockpit gunwale into a huge tournament geared cockpit. There is a fighting chair, plus fish boxes, tackle storage, bait prep station and freezer. Engine room access is easily gained from a cockpit hatch. The sliding and locking cabin door has glass in the top half which, with all the salon windows, provides exceptional natural light and openness. All windows also have shades to lower for privacy. Walking into the beautiful cabin, you will note the fit and finish of the joinery and the matching teak grain with high gloss finish plus the tasteful new soft goods. The U-line ice maker and electrical panel are to starboard as you enter. An L-shaped sofa and cocktail table is to port with a barrel chair to starboard. Moving forward is the large L-shaped dinette with teak table to starboard and down one step is the well appointed galley to port. Continuing forward, a separate washer and dryer are recessed in the companionway to port and the master stateroom with queen walk around bed is to starboard. The master has an ensuite head with stall shower. Forward in the V-area is the guest stateroom with large crossing

over/under berths. The guests also have a private head with stall shower. The flybridge provides a huge console for the helm equipment and electronics with two helm chairs and provides excellent visibility for navigation or fishing. There is seating forward of the helm console and also to port. The enclosure is new in 2015.
