Overview

RECENT MAJOR PRICE REDUCTION! Latitude was built as an Ice Breaker Class supply boat, converted in 2003, and then refit in 2006 into a pleasure Expedition yacht. The owner and crew have returned to her home port of Panama from an extended three year exploration and fishing adventure in Tahiti and the far Pacific. Designed for long distance, she was refit for comfort and simple travel with an astounding range. The perfect long range expedition vessel, Latitude is designed for extensive travel to remote private destinations in luxurious accommodations for 14 in the comfort and safety that only a vessel of this class can provide. Latitude is available to continue on her journey for her next owner. Visit LatitudeExpeditions.com. Note: Travel considerations offered to serious buyers.

Salesman's Comments

Latitude has been repositioned to her home port of Panama to allow the vessel to be easily shown to any and all prospective buyers. Anyone looking for a long range steel hull cruiser expedition vessel for private or possible exotic charter should seek out Latitude. The boat is set up with all the toys and systems making her the ideal stand alone or tender to a larger mothership operation. Recent surveys are available to potential buyers with detailed information on systems and present condition.
