Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Meridian 411

She is 46' and feels like a much bigger boat! In designing the new 411 Sedan, Meridian's team of naval architects developed a new hull, deck, bridge and shearline. This all new design features a more aggressive profile and new hull-side windows for the guest stateroom, easier bridge access, better topside accommodations, and more natural light and woodwork in its interior living spaces.

The 411's wide-open floor plan ensures smooth flow and unbroken lines of sight between the salon, the yacht's dedicated dinette and the full-service galley. What's more, Meridian has further enhanced its signature integrated two-tier window system to ensure improved visibility from all these interior areas.

Plus the 411's impressive two-stateroom, two-head layout provides a gracious master suite, located forward with a queen-size island berth with innerspring pillowtop mattress. The spacious amidship guest stateroom, which spans the yacht's beam, features a double berth, thoughtfully appointed vanity and settee and plenty of storage.

Accommodations

The Meridian 411 Sedan has overnight accommodations for six people with a spacious forward master stateroom with private head, featuring an entertainment system with 15-inch LCD TV and standard pillowtop innerspring mattress; and a dinette that converts to a comfortable bed.

The wide-open salon features premium gloss cherry wood finish, plush cut-pile carpeting, and a layout that features living-room-style seating for everyone. Generous storage guarantees maximum convenience for lengthy stays on board, and if you're shorthanded, the broad side decks and molded-in steps between cockpit and bridge ensure that a couple can handle this 46-foot yacht with ease.

Sirius satellite radio and the latest in Northstar navigation and communications systems. Add to this the underwater exhaust, and you've got the best and most versatile cruising yacht in its class.

Sleeps 6 persons in 3 separate Berths. 2 Staterooms, 2 Heads. Island Queen Berth with Innerspring Mattress and storage below. Full Beam Guest Stateroom is located Mid Ships. Love Seat and Hanging Closet

Salon

Entering the salon from the aft deck, you find an L-shaped lounge to port with two chairs to starboard. The wetbar with U-line icemaker is just inside the sliding glass door to starboard as well. In the corner is the electric panel with AC & DC control switches. The salon and galley are finished in gloss finished cherry wood with granite countertops.
