SPECIFICATIONS

Overview

This 2002 Carver 570 SL "Sky Lounge" motor yacht offers a three (3) state room, two (2) head layout with spacious living areas above and below deck. She's powered by twin Volvo Penta D-12 675's that move her @ 26kts cruise. **Her engine room is pristine and her 1,000 hr engine service just completed by Volvo certified technicians.** She is equipped with a factory installed *hydraulic "QL Volvo Penta" bow thruster and stern video camera for easy docking.* .

She has been meticulously managed and upgraded over the years with 2015 improvements that include professionally applied Awlgrip exterior paint, new bamboo hard wood flooring in the salon, new marble tile in the galley and new luxurious carpeting throughout the lower level and staterooms.

In addition, the window seals were re-caulked and exterior window frame(s) painted, fresh bottom paint, shafts, props and cutlass bearings inspected and serviced, new bimini top, three new AC units and control heads, new CO2 detectors, new Standard Horizon VHF AIS radio at helm, outdoor LED courtesy lighting, among other upgrades in the past 12 months.

All systems are operational and regularly serviced with an open check book and this yacht is ready to cruise.

Vessel walk-through:

At the stern, she has a large swim platform with custom cleats, storage lockers, rinse down spigot, walk through transom door that leads to a hard top covered aft deck with custom blue LED cockpit and underwater lighting, built in seating, engine room access hatch, sound system control, and stairway leading to the upper deck.

Enter the salon through an oversize sliding glass door with polished stainless frame and hardware, and you will be impressed with the volume of living area the Voyager offers. The salon features a large L shaped leather sofa with three recliners that runs the entire length of the room. Large windows along both sides of the vessel leading forward provide natural light and great visibility. Opposite the sofa is a custom entertainment center with a 55" LG SMART hidden flat screen TV that emerges at the touch of a button. Forward of the living area is the wrap around galley with solid surface counter tops, sink, microwave, refrigerator, freezer with ice maker, stove and premium finish woodwork cabinetry throughout with excellent storage. In the Salon there are controls for AC units, recessed lighting, a wall mounted VHF, electric panel access for 12V and 110V, and satellite TV systems.

Moving forward from the Salon and up two steps you enter the indoor Sky Lounge

seating area. You have to see it to believe how "super yacht" luxurious this circular shaped leather lounging and dining area is with telescoping custom wood table. Surrounded by large glass windows with visibility of bow and the entire living area and equipped with a built in 50" flat screen, this is certain to be a special place to enjoy great moments with friends and family.

Opposite the lounge is a sliding mid ship exit door to starboard. An indoor stairway with matching custom wood steps and large sea door hatch leads to the upper deck sky lounge, outdoor grill and wet bar.

Forward of the indoor Sky Lounge is a curved stairway that leads to the lower level to three (3) private staterooms. Mid ship, you will find a full beam master bedroom with excellent closet space and a luxurious master bath vanity and separate shower/tub and separate head. The master has built in sound system and custom built in TV alcove, closets and port holes for ventilation and natural light.

Forward of the master to port is a second state room with twin bunk beds. Further forward is a large queen V berth and guest bath with entry from the hall way and V berth suite. The beautiful cabinetry and wood work is carried throughout from the main salon and Sky Lounge to the lower level hallways and staterooms.

The outdoor "Sky Deck" area seats 10 people comfortably with wrap around seating, wet bar, refrigerator, sink, electric grill and dining table and recently installed blue LED courtesy lighting throughout. The dual stairways fore and aft offer quick access to the lower levels and swim platform.

The helm is well appointed with electronics and controls and offers excellent visibility of the bow, including

- Garmin GPS MAP 4210 color chart plotter
- Standard Horizon GX2000 VHF
- Simrad/Robertson AP20 Auto Pilot
- Simrad IS15 Depth
- Simrad RA42C Radar
- QL Hydraulic Volvo Penta Bow Thruster

In addition the helm package includes rear video camera controls and monitor for stern, throttles, compass, sound system controls, bow spotlight, sound system and a complete gauge package to monitor all systems.

Aft of the helm, wet bar and seating area is a extended hard top with davit for dinghy storage.

On the bow a luxurious sun pad is integrated into the yachts design for sun bathing and star gazing. Her ground tackle is complete with windlass, plow anchor, 150' chain, foot pedal controls and twin storage lockers at the bow with fresh and salt water rinse

down spigots make cleaning up after the anchor is stowed an easy task.

Her engine room is open, clean and accessible and includes the upgraded power option of Volvo Penta D-12 675's, currently showing 1200 well cared for hrs. Both are recently serviced.

She has a Onan 17KW generator with sound enclosure, Vanner IQ 2600 inverter and isolation transformer, 50 amp 125/250V retractable power cord off her stern with two (2) additional power receptacles and a spare power cord forward for mid ship power connections.

Vessel is docked at a private yacht club in St. Petersburg, Florida. She is new to the market and available to preview by appointment.
