SPECIFICATIONS

Overview

Big, roomy Carolina built charter boat built in 2000 and powered with a pair of Caterpillar 3406 800 hp diesels. Sturdy construction with no encapsulated wood and beefy throughout. Comfortable and practical layout for fishing, traveling or daily charter operation. Great boat to continue in charter service or as an awesome foundation to refit and customize to your liking. Either way, with so few like her on the market and priced to sell, this Gwaltney Custom Sportfish offers a lot of options if you are in the market for a good deal on a solid boat.
