SPECIFICATIONS

Overview

The Endurance 650 LRC is a departure in design for Hampton Yachts. Like all Hampton semi-custom yachts they are built for safety and performance with incredible craftsmanship and luxurious amenities as standard. The feature that has really piqued the marine industry's interest is the Endurance's hybrid hull. This split chine hull provides two cruising speeds of 8 to 10 knots or 16 to 18 knots. She looks brand new with only 265 engine hours. Caterpillar extended warranty thru December 2015 can be extended another 2 or 3 years. Electronics upgraded to Garmin last year. SAT TV upgraded to KVH-HD7.

Basic Information

Category: Motor Yacht

Sub Category: Long Range Cruiser

Model Year: 2010

Year Built: 2010

Country: United States
