## Overview

---

This Bertram 36 Convertible is a great opportunity on a proven pocket-sportfisherman built back in the good old days of Bertram Yachts. Bertram managed to pack just about every big-boat feature into 36 feet and she can handle about anything a 54 can accomplish offshore. She's got a massive cockpit with chair, outriggers, full electronics, an interior with full galley and sleeping for six, and CAT power. She was repowered by Holt Caterpillar (3126 upgrades) with just over 1000 hours and she's professionally maintained. "Fin Alley" is ready to go!
