## Overview

---

End of the summer deal: this lightly used, well-kept, stylish 2007 Sea Ray 270 SLX can entertain the water sport enthusiasts and provide a great platform for family cruising.

### **ONLY 300 hours!! - Super Clean - Motivated Seller - Burgundy Hullsides**

Sportiness combined with Practicality is a rare thing in design. The 270 SLX's sexy lines are compared to that of a gentleman's roadster. And without compromising, the on-deck seating capacity is towards the top of its size range. You can look good, while entertaining in comfort. The 270 SLX's successful and popular design by Sea Ray hasn't changed much over the years, for good reason.

Second owner. Meticulous, keeps boat very clean and in order, to every detail. Very experienced boater. Keeps on lift, with covers and covered-storage. Reason for selling: work has been very busy of late (in a good way) and would like to see the boat go to someone who will use more often.
