## Manufacturer Provided Description

---

The Sea Ray 450 Sundancer is custom designed and built for yachtsmen who enjoy serious cruising in unabashed comfort. She has the characteristic accommodations of the Sundancer layout and the long-range performance of twin 350-hp Caterpillar engines. The custom slide - swivel captain's chair has an adjacent Euro-styled companion seat. Standard accessory package includes an oil changer system, telephone inlet with cord, vacuum system, and ACR remote-controlled spotlight. The cockpit provides wonderful space for relaxing, with a spacious circular aft-facing seat, U-shaped seating, and Euro cockpit tables that convert to a sunpad. The aft sunpad turns into a useful chart table. If water toys are a part of the game plan, the 450 Sundancer has plenty of room for storing them. The oversize integral swim platform is large enough to hold a personal watercraft, while the aft wall fender storage neatly organizes docking equipment. The standard Lofrans Progress I rope - chain windlass makes anchoring easy. Four lockable translucent deck hatches with screen covers, sliding windows and ten opening port lights provide natural light and fresh air throughout the cabin on mild days. Other days, you may opt to run the central heating or air conditioning. Belowdecks deep-pile marine carpet lines a spacious interior. In the salon, a sleeper sofa, hi-lo dining table, and entertainment center provide respite from the activity topsides. Amidships, the Sundancer berth functions as a conversation area by day and, by night, sleeping quarters for two in the double berth. The private master stateroom has a full-size bed with storage underneath, three cedar-lined hanging lockers with mirrored doors, vanity, pocket privacy door, and an entertainment center with TV - VCR - radio combination. The master head features a VacuFlush toilet, vanity with sink and mirrored medicine cabinet, and fiberglass shower stall with circular acrylic door. It's accessible from the salon or master stateroom. Faux-granite countertops highlight the full galley, with refrigerator - freezer, three-burner electric stove, and microwave. The galley convenience package includes a coffeemaker and blender.
