ХАРАКТЕРИСТИКИ

Обзор

This 2011 Everglades 350CC is an exceptional representation of a top brand in the Center Console market. This vessel features the Everglades impeccable quality in construction, relentless attention to detail in the design, and superior fishability. Best deal on the market.

The aggressive Dougherty's hull design, with 25-degrees of deadrise at transom, allows for a fast run through big seas. The hull is *even more* "unsinkable" thanks to the improved hull flotation foam method during the build.

The Everglades 350CC is innovative and full of features. Ergonomically designed tackle station has plenty of tackle storage, freshwater/saltwater sink and flip-down fighting chair, all in a sensible layout. The high-tech helm features state-of-the-art digital switch panel, security cover for the navigational gear, and twin electric bolster helm-seats. And the tuna tower with buggy-top gives the team of anglers a much more useful vantage point.

Plenty of comfort and seating is provided while entertaining. Trade-mark triple-seats are forward of the console. Two generous bench seats fold-down at the transom. The electric high-low dinette between the bow seating allows for casual dining, and may act as a casting platform in the "low" setting. Beneath the console are a quarter berth, a roomy head and shower.

This Everglades 350CC is powered with low hour Triple Yamaha F300 four-strokes, which are the preferred engine option. The Yamaha warranty will cover the engines until Jan. 1, 2017.

Original owner has kept this vessel captain-maintained and made sure the boat is in excellent running condition as tender for larger yacht. At this aggressive price-point, this boat will not last long on the market.

- 316-L stainless steel hinges and latches
- Heavy duty welded bow and stern eyes
- Upholstery: extra heavy vinyl with acrylic top coat, Tenara thread, and anti-mildew backing
- Bronze high-speed intake strainers
- Trim tabs
- Custom Stainless Steel towing eye

Fore Deck

- Recessed Anchor Locker with Lewmar electric windlass 12 volt with up/down switch
- Fresh Water anchor wash down with hose and nozzle
- 6'x3/8" Chain with 150'x3/4 anchor rode
- Anchor light, LED
- Stainless steel Anchor chute with stainless steel plow -style anchor
- Gunwale grab-rails, port and starboard-side
- Anchor with stainless steel swivel shackle
- Bow rail, low-profile, aluminum, powder coated, 1-5/16" diameter
- Forward seating at bow, cushioned, storage under
- High-low bow dinette, electric, with filler cushion for sun pad conversion, with control switch
- Bow casting platform without cushions, in "low" position
- (4) Cupholders
- (2) Large gunwale storage lockers
- (6) Gunwale storage lockers
- (2) Speakers
- (3) Forward facing seats forward the console, cushioned, headrests and (2) armrests/grab rails, with (3) cupholders
- Coaming bolsters

Upper Helm

- Tower with buggy fiberglass hard top
- (2) Recessed stainless steel drink holders
- Glove box
- Custom steering wheel, 16" Edison stainless steel
- Compass, magnetic, 3-1/2", Ritchie
- Stereo

Station Selector / Volume control •Horn/nav-lights/upper dock-lights, lower dock-lights switches
 •Helm and Companion Bolster seats with backrest, cushioned •Epirb/ACR •Hardtop/tower deck fiberglass, non-skid •Dual recessed face-forward docking lights •Dual recessed spreader lights, facing aft •Access ladder with non-skid trends with 19"x19" hatch

Upper Helm Electronics

•Chartplotter, Garmin GPS Map 5212, with 12" screen and cover •Radar dome, closed, Garmin HD 24, 48 mile •Clutch and throttles, Yamaha, electric, with kill-switch and trim controls •Engine monitor digital displays, Yamaha with storage covers •Trim tab controls, Lectrotab with position indicators and Auto retract

Lower Helm

- Tinted Lexan wrap around windshield, with port and starboard vent windows
- Windshield wiper, electric with washer 16"
- Aluminum custom T-top, sand blasted and powder coated, with hand grab rails
- Custom steering wheel stainless steel 16" Edison
- Recessed electronics with power security shield
- Hydraulic steering
- Glove box
- (2) stainless steel recessed drink holders
- Port & Starboard grab rails
- Overhead electronics consul access
- Helm station soft stand foot pad
- Console helm/ companion seats footrest
- Battery compartment located under helm & companion seats
- (2) Helm seats, with flip-up bolsters, cushioned with storage cover
- Personal insulated cooler, centerline between helm seats, cushioned for leaning
- Compass magnetic 3 1/2" Ritchie
- Hard top, with LED lighting overhead for helm station and forward seating White & Red lights
- Ladder, powder coated, access tower

Lower Helm Electronics

• Radar Garmin 48 mile • (2) Chartplotter Garmin GPS Map 5212, with 12" screen and cover
 Depth Finder, Color Bottom Graph, Radar • VHF, Garmin 200, with cover and remote speaker •
 Autopilot, Garmin GHC10 • Trim tab controls, Lectrotab with position indicators & Auto retract •
 Search light electric remote, guest • Horn, electric replaced 11-23-15 • Multimedia Stereo
 System, Clarion, AM/FM/Satellite Radio/Aux/iPod/iPhone, with (2) speakers • (2) Engine monitor

digital displays, Yamaha • Clutch and throttles, electric, with up and down trim, engine and station activate controls • Ignition switch, with kill switch Halyard

Cabin

- Vaccu-flush fresh water Head, with Macerator overboard discharge Pump, with cover platform
- Pump, off/on switch, Pump out Switch replaced 11-27-15
- Sink, converts to shower, freshwater

Cockpit

- Cockpit area - 127 sq ft
- Dive-door, to port
- (2) fold-away transom bench seats, cushioned
- Sink, fresh-water washdown, built-in transom
- Bilge-area access hatch,
- Toe-rails, powder coated
- Recessed cockpit scuppers
- Walk-through transom gate, to starboard
- Coaming bolsters
- Non-skid fiberglass, molded-in diamond pattern
- Boarding ladder, to starboard, on molded engine bracket, with stainless steel hand grab rail
- (6) courtesy head lights along gunwale. LED , port, and starboard-side

Fishing Equipment

- Tackle Station, located aft of helm, with (8) drawers for tackle storage, with multiple hand grab rails, with control switches
- Cutting board to portside of Tackle Station
- Livewell, on centerline of Tackle Station with 3/8" clear acrylic lid
- Sink, fresh and saltwater, with cold water faucet to starboard side of Tackle Station
- Fighting chair, with gimbel, fold-down from Tackle Station, on centerline
- (2) Outriggers, 18' collapsible / Taco Marine
- Livewell, 31-gals, circulating, with 3/8" clear acrylic lid, with light
- Livewell/Bait Freezer, 55-gals
- Large Fish Box, forward deck, 129-gals
- Large Fish Box, aft cockpit, 81-gals
- (8) Rod holders, on gunwales, flush mounted
