Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Silverton 38 Convertible is part of the evolution in design and manufacturing that Silverton has been experiencing for the past several years. The lines are pleasingly fluid and the overall look is modern and inviting. Space allocation is taken seriously and no other 38 can offer the extended amenities found here. Two comfortable staterooms with innerspring berths will provide plenty of privacy and storage. A Corian-covered galley will swallow up all cooking and serving pieces with room to spare. A full complement of top-of-the-line appliances are standard and a real hardwood floor keeps maintenance to a minimum. The salon with the electrically-actuated sofa and opposing dinette is perfect for entertaining or just relaxing. Convertibles are designed to be very versatile and the 38 is among the best. The cockpit can be fished along with the best of them or handle a couple of lounge chairs. The standard wetbar can be outfitted with either an icemaker or a refrigerator, and there is a Fish Pak option that equips the 38 with a rocket launcher, rod holders, washdowns and a tackle center. Crowning all this is a large flybridge with plenty of seating and plenty of storage. The console can handle all electronic needs and the optional hardtop with integral electronics box can take even more. Silverton's bluewater heritage is evident in the hull design and the advanced engineering is obvious in the engine spaces.

Engine notes

Twin Yanmar , Caterpillar and Cummins diesel also available.

Exclusions

Owner's personal belongings.
