DETAILED INFORMATION

70' Marlow Explorer Motor Yacht EMILIE

The 70' Marlow Explorer Motor Yacht EMILIE combines a handsome pilothouse profile with state of the art construction and a practical layout that is perfect for cruising in comfort and luxury.

EMILIE represents the finest example of this popular yacht currently available, she has been professionally maintained to the highest standards and 'open checkbook'. She is well equipped for long range cruising and all services are up to date. **Annual yard service completed August, 2015 including new bottom paint and Prop Speed, stabilizer seals, fluids and filters replaced. New Headhunter AC and DC water pumps with inline particle filters installed. New UV drinking water filter. All Vacuflush toilets receive new ball seals. All brightwork stripped and 10 coats of Awl Spar and 7 coats of Awl Bright applied. Entire boat was painted and new teak decks installed at Bradford Marine in 2014.**

Vessel Walkthrough

Beginning on the fully covered teak aft deck, features include built-in cushioned bench seat. Sidepower bow and stern thruster controls. Emergency Morse engine controls. A molded FRP stairway with teak treads forward to port leads up to the boat deck and flybridge. Port and starboard aft are boarding doors and three steps on each side leading down to the large swim platform. Double centerline doors open to the spacious salon. The combination of satin finished teak joinery, granite countertops, Ultraleather furniture custom Fabrica Nepali fitted carpet currently cover the varnished teak & holly sole create an inviting warm ambiance. A large hi - lo coffee table fronts the sofa. On the port side there are 2 barrel club chairs covered in Ultraleather. All the way forward on the port side is the granite topped buffet built-in bar with wine cooler, ice maker and refrigerator. as well as a china cabinetry on the forward upper bulkhead. Forward starboard is the private stairway to the Master suite. The king size island berth is centerline with built-in nightstands on either side and reading lamps above. Three steps up from the salon leads to the galley and pilothouse. The starboard side open galley is truly a chef's delight with granite counters, abundant storage, under counter refrigeration and top of the line appliances. The port side entry door and floating teak stairway to the flybridge is directly across from the galley. Forward to port, elevated one step is the built-in dinette and slide out teak table with fold-down leaf. To starboard and centerline is the lower helm station with Stidd helm chair covered in Ultraleather. All navigation electronics and instruments are within easy sight and reach of the helmsman. The starboard side entry door is directly next to the helm. A curved stairwell on the forward, starboard side of the pilothouse leads down to the guest staterooms. To port is the guest stateroom with upper and lower crossing berths. A cedar lined hanging locker and storage drawers are under the berths. An ensuite bath with stall shower, marble counter, undermounted sink and Vacuflush head is aft. The VIP guest cabin forward features a queen berth. The ensuite bath with teak framed plexiglass stall shower is accessed from the stateroom or companionway allowing it to be used as a day head. There are two cedar lined hanging lockers, port and starboard as well as under berth storage drawers and overhead storage lockers. Two overhead hatches

provide natural light and ventilation. The crew quarters and engine room are accessed through a hatch on the aft deck. On the port side is a full size double berth, three storage lockers, built-in end table and hanging locker. To starboard are two additional storage lockers and head with shower. The engine room is accessed forward through a watertight door with viewing port. The engine room provides full stand up head room and excellent access to all systems and machinery. The flybridge and boat deck are accessed either from the aft deck or the pilothouse. Forward, centerline is the helm station with twin Stidd chairs offering excellent visibility and access to the full electronics array. The entire flybridge area is protected from the elements by an FRP hardtop. Aft of the helm to starboard are 2 molded L shaped seating surrounding a fiberglass table on a pedestal. On the port side is a fiberglass cabinet housing a refrigerator, ice maker, electric grill and wet bar. All the way aft on the boat deck is a hydraulic davit. The entire boat deck perimeter is protected by a stainless steel double guard rail.

Salon/Dining Area

•Ultraleather sofa •Ultraleather barrel arm chair •Upholstered arm chair •Hi - Lo Coffee table •2 Flat screen TVs w/DIRECTV receiver •Bose Lifestyle stereo system w/5.1 digital surround, 5 speakers, subwoofer •(2) decorative table lamps •(6) brass wall lights •Overhead and foot rope lights •Teak & holly sole currently covered with custom carpet. •Overhead teak grab rail

Galley

•(2) Sub Zero 700 series refrigerator drawers •(2) Sub Zero 700 series freezer drawers •Dacor 4 burner electric ceran cooktop w/fiddles •Dacor electric oven •Sharp Carousel convection microwave oven •Fisher & Paykel DishDrawer dishwasher •Franke stainless steel undermounted sink w/2 cutting board covers •Grohe pull-out sprayer water faucet •Dedicated drinking water faucet •Filtered drinking water faucet •Granite countertops •Teak louver door storage cabinets & drawers •Exhaust fan •Storage locker in countertop •Teak and holly sole

Pilothouse

•(1) Stidd Admiral Ultraleather helm chair •Port side dinette w/pull out teak table & fold down leaf •Port & starboard articulating water tight doors •Stainless steel & teak floating stairway to flybridge •(2) overhead hatches w/screens •Teak mini blinds •Teak & holly sole under carpet. •Chart drawer •Teak destroyer wheel •AC & DC electrical panels •Stereo speakers

Pilothouse Electronics & Equipment

•(2) Furuno 12.1" Multifunction displays (GPS, chart plotter, radar, satellite weather requiring subscription, AIS) •Furuno 10 kW, 72 nm radar •Furuno FI-50 depth indicator •Furuno FI -50 wind speed/angle display (true & apparent) •Simrad AP25 autopilot •AIS transceiver •Icom M504 VHF

transceiver/hailer • Icom CommandmicIII remote VHF radio control • Naiad Multisea II stabilizer controls • KVH Tracvision M5 satellite TV system • KVH Tracphone satellite telephone system • Wave WiFi broadband router • ACR searchlight control • Side-Power bow & stern thruster controls • (2) Caterpillar MPD displays • Micro Commander electronic engine controls • Ritchie Powerdamp Plus 6" compass • Trim tab controls • Hart tank tender system

Master Stateroom

• King size berth w/memory foam mattress, upholstered headboard & mirrored aft bulkhead • Built-in night stands w/(2) drawers each • Port & starboard reading lights • His & hers baths w/shared walk-in shower • Samsung flat screen w/ DIRECTV receiver • Teak & holly sole • Sunken dressing area and vanity • Asko washer and Dryer

VIP Guest Stateroom

• Queen size island berth • Built-in night stand counters port & starboard • (2) brass reading lights • Under berth storage drawers • Overhead storage lockers w/louver doors • (2) cedar lined hanging lockers • (2) Overhead hatches w/screens • Ensuite bath w/stall shower, vanity, marble counters • Samsung Flat screen TV • Teak & holly sole

Guest Stateroom

• Upper & Lower crossed twin berths • Cedar lined hanging locker • (2) port lights w/curtains • Built-in vanity • Samsung • Ensuite bath w/stall shower, vanity, marble counters • Teak & holly sole

Laundry

Asko full size washer and dryer

Crew Area

• Double berth w/memory foam mattress • Toshiba 15" LCD TV/DVD combo w/DIRECTV receiver • Hanging locker • (3) storage lockers • Wet head w/hand-held shower, marble counters, mirror

Flybridge Navigation Electronics & Equipment

• 17" Multifunction display (GPS, chart plotter, sonar, radar, satellite weather requiring subscription, AIS) • Furuno RD 33 Multi function • Furuno FI - 50+ depth indicator • Furuno FI - 50 wind indicator • Icom M604 VHF transceiver/hailer • Icom CommandmicIII remote VHF radio control • Simrad AP25 autopilot control head • Side Power bow & stern thruster controls • (2)

Caterpillar MPD displays • Naiad Multisea II stabilizer control • ACR searchlight control • Micro Commander electronic engine controls

Flybridge & Boat Deck Equipment

• (2) Stidd Admiral helm & companion chairs w/footrests, piped ultraleather • Stainless steel 4 spoke wheel • FRP extended hardtop w/powdercoated forward supports • Tinted venturi windshield, stainless steel frame • L-shaped settee w/Sunbrella cushions • FRP 3 sided table on stainless steel pedestal • Miele electric barbecue grill • Stainless steel sink • U-Line refrigerator and ice maker • Aritex 800A, 220V hydraulic davit w/rotation • New Winslow 6 person MK-II SOLAS life raft • Sat 406 EPIRB • Welded 316 stainless steel boat deck perimeter guard rails • Stainless steel radar mast w/integrated anchor light & ships bell • KVH Tracvision satellite TV dome mounted on stainless steel bracket • KVH Tracphone satellite phone dome mounted on stainless steel bracket

Deck Equipment

• Bow pulpit w/ dual anchor chutes & chain stoppers • 110 lb. Bruce stainless steel anchor w/300' high tensile chain • 60 lb. plow style stainless steel anchor w/300' high tensile chain • Lofrans Titan 24V horizontal windlass • Fresh & raw water anchor wash downs • 316 stainless steel bow rail • Teak cap rails • Portuguese bridge w/integrated forward port & starboard seating w/cushions • Portuguese bridge deck storage lockers • Laid teak decks • Full walk-around side decks w/bulwarks • Oval shape 316 stainless steel inboard side deck hand rails • Frameless windows • Textaline windshield covers • (3) windshield wipers w/washers • Port & starboard aft boarding doors • International navigation lights • ACR remote search light • Kahlenberg dual trumpet air horns • Port & starboard transom boarding doors • Molded FRP transom seats w/cushions • (2) folding teak deck chairs • Integrated swim platform w/teak deck • Stainless steel swim ladder • 316 stainless steel rub rail • 316 stainless steel hawse pipes • Hidden fueling ports w/anti-spill catch basins • (4) Glendinning Cablemaster shore power reels

Electrical Equipment

• (1) 20 kW Northern Lights generator w/sound shields (5030 hours 3/8/16) and (1) 12 kW Northern Lights generator w/sound shields (3820 hours 3/8/16) • 110V/220V AC electrical system • 12V/24V DC electrical system • (4) Lifeline 8D AGM batteries, service bank • (2) Lifeline 8D AGM batteries, thrusters • (2) Lifeline 8D AGM batteries, generators • (2) Lifeline 8D AGM batteries, main engines • Newmar Phase Three 25 amp, 12V battery charger • Newmar Phase Three, 40 amp, 24V battery charger • Xantrex 4kW inverter/120 amp battery charger • (6) battery cut-off switches • (2) battery parallel switches • (4) 50 amp shore power inlets on Glendinning cablemasters, (2) forward, (2) aft • Central bonding system • Guest galvanic isolators • (3) Lumitec SeaBlazeX LED transom underwater lights (2015)

Engine Room & Mechanical Equipment

•Twin Caterpillar 3406E diesel engines w/3889 hrs. (3/8/16) •ZF 350A reduction gears w/2.636:1 ratios •Naiad stabilizers w/Multisea II controls •Side Power 20 hp electric bow & stern thrusters •Micro Commander electronic engine controls •Marine Air chilled water reverse cycle air conditioning system, 2 staged chillers, 96,000 BTU total •Sea Recovery AquaMatic 60 gph watermaker w/EZ start •(2) duplex Racor 1000 fuel filters w/vacuum gauges for each engine •(2) Racor 500 fuel filters w/vacuum gauges for each generator •Walker Air Sep crankcase ventilation system •Dripless shaft seals •Dripless rudder shaft seals •Aquadrive couplings & soft engine mounts •3" Aquamet 22 stainless steel propellor shafts •(2) 5 blade 38" X 37" Nibral propellers •Polished stainless steel engine beds •FM 200, 97 lb. fixed engine room fire suppression system •Oil change system for engines, transmissions, generators •Bennett trim tabs •Seastar hydraulic steering system •Sealand Vacuflush sanitation system •Macerator pump •Sea Chest centralized raw water intake system •(4) 24V automatic bilge pumps •Emergency manual bilge pump •High water bilge alarm •Flojet AC fresh water pump •Headhunter 110V DC & 24V DC fresh water pump •PJR drinking water pump •(2) sump pumps •100 gallon stainless steel dedicated drinking water tank •400 gallon stainless steel fresh water tank •Torid 30 gallon stainless steel electric water heater •NuTone central vacuum system •Power System 110V air compressor •Engine room lead/foam sound insulation •220V high volume engine room blowers •24V bilge blowers •Proprietary baffled air inlet system •Watertight engine room door w/inspection port •Varnished teak bilge grating •AC & DC engine room lighting •CCTV camera

Hull & Construction

Marlow Yachts use the most modern materials and construction techniques including resin infusion, Dupont Kevlar, vinylester and epoxy resins with high density core materials, resulting in a hull, deck & superstructure with more strength and less weight than possible with conventional methods. While the foundation is a conventional semi-displacement form, Marlow utilizes proprietary "Velocijet Strut Keel" technology. This system uses twin strut keels that surround the propeller shafts in hydrodynamic fairings resulting in improved efficiency, tracking and stability. They also offer running gear protection, and modest propeller pockets keep draft to just 4 feet, 5 inches.

Exclusions

While every effort was made to list all pertinent included equipment aboard EMILIE, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing. Please refer any items in question to the listing broker.

Exclusions

Owner's personal belongings.
