LOA: 64' 0" (19.51m)

Beam: 19' 2" (5.84m)

Max Draft: 5' 2" (1.57m)

Speed, Capacities and Weight

Displacement: 100000 Pounds

Water Capacity: 320 Gallons

Fuel Capacity: 2215 Gallons

Accommodations

Total Cabins: 3

Total Heads: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C32 Acert

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Entering through starboard entry door the carpeted salon one will begin to recognize the custom décor package which includes upgraded granite counter and dinette tops, teak soffits, and various other luxury finishes throughout the vessel. The notorious Viking high gloss teak interior cabinetry is easily recognized, not to mention the cherry Amtico wood floor as well as in the companionway and extending through the galley and dinette areas. Additional features include the entertainment center which houses a Bose Home Theater system, bar storage and a large capacity Kenmore Elite ice maker. .

The galley offers generous storage, granite counters, and triple Sub Zero refrigerator/freezer units. A four- burner ceramic cooktop and a Sharp Carousel microwave/convection oven complete the galley appliances. Opposite of the galley is the dinette with a teak top table and storage underneath.

Yeshua features a three stateroom, three head interior layout with the athwartship master berth and full beam closet across the aft master stateroom bulkhead. All the way forward is the VIP guest stateroom with a VIP layout and private head. Aft to starboard is the spacious third stateroom with side by side twin berths and private entrance to the third head.

The spacious flybridge is accessed by the ladder to starboard from the cockpit. The attention in the flybridge is the fully instrumented helm area with custom helm and companion seats. Forward of the helm are huge refrigerator/freezer units built into the large L-Shaped seating area for guests and crew. To starboard is a long bench seat with reversible seat back, positioned in a way that action in the cockpit can be viewed.

Yeshua's engine room is fully awlgripped and exhibits all the engineering that Viking is known for and also displays the full attention to detail of the owner. The twin Caterpillar 1825 HP C32 Acerts, two Onan generators, combined with the Sea Recovery water maker provide plenty of power and electrical needs of the owner and guests.

Salon

- Magellan security system
- Sharp 42" Pop up TV
- Cherry Amtico entrance flooring
- Hi-low cocktail table
- Custom overhead lighting
- Storage cabinet by electrical panel
- Main electrical service panel. AC/DC raised to eye level for easier viewing
- Custom headliner

- Electric sliding salon door, molded fiberglass door with window
- Stereo speakers, multi-directional, mid/high range with powered subwoofer for base and with volume control, recessed in and painted to match
- Teak cabinetry with drawers and bottle storage
- Upgraded L-shaped sofa with storage underneath
- Custom upholstery
- Custom teak valences
- Custom carpet
- Full carpet runner
- Bose surround sound
- Blinds
- Ice maker- clear ice type concealed in teak cabinetry behind door
- Teak lambrequins
- Overhead lighting with dimmer recessed in headliner
- Indirect decorative rope lighting behind valences
- Sat TV receiver
- Premier edition décor
- (2) Custom bar stools
- Custom sea rail on starboard cabinetry

Galley

- U-shaped galley with custom granite top
- Sharp microwave/convection oven, stainless finish, in upper galley cabinet above sink
- (2) Sub Zero under counter, deep drawer, large capacity refrigerator units with varnished teak
- Sub Zero under counter, deep drawer, large capacity freezer unit with varnished teak
- Stainless steel sink, recessed in counter top with nickel faucet
- Amtico teak & cherry floor
- Four-burner electric cook top, surface mounted
- Exhaust fan
- Custom granite counter
- Garbage disposal
- Additional lighting
- Additional 110V outlets
- Storage cabinets in upper galley with varnished teak doors, teak faced, deep pull out drawers with aircraft style slides for smooth movement and latches to keep drawers in place while underway

Dinette

- U-shaped seating with storage below
- Teak dinette table with teak pedestal
- Amtico Cherry flooring

- Additional lighting
- Additional storage above dinette

Companionway

- Awlgripped bilge areas with access hatches
- Additional lighting
- Carpeted steps from galley to companionway with full runners
- Central vacuum unit connection with accessories
- Custom headliner
- Custom wall panels
- Laundry center with stackable washer and dryer behind teak door
- Lighting overhead
- Halogen lights recessed in headliner for washer area
- Linen storage locker with (4) shelves to port

Master Stateroom

- Queen-size, walk-around athwartship bed with mattress and lift up top with gas pistons
- Orthopedic mattress
- Maple-lined storage underneath bed
- Sharp 32" LCD TV
- Overhead hatch
- Full runner
- Custom wallpaper
- Custom headliner
- Custom bedspread and shams
- Custom carpeting
- Custom wall sconces
- Overhead halogen lighting with dimmer
- Indirect decorative rope lighting from underneath bed platform
- Overhead reading lights with separate switches
- Teak storage locker cabinet with large drawers below
- Air conditioning with reverse cycle heat with temperature control
- SAT TV
- Bose sound system
- A/C Controls
- (2) Maple-lined hanging closets with teak doors, built into aft wall
- (2) Large storage drawers under bed
- Teak top end tables at forward and aft ends of bed with drawer and door storage
- Upholstered headboard

Master Head, Ensuite

- Custom granite counter top
- Custom wallpaper
- Brushed nickel hardware
- Mirrored vanity
- Custom rope lighting under vanity
- One-piece solid shower door
- Additional lighting
- Teak lower vanity face
- Amtico flooring
- Storage pantry
- Headhunter head

Guest Stateroom, Forward

- VIP Crossover layout with 2 berths
- Orthopedic mattresses
- Air conditioning
- Custom fabrics
- 20" Sharp LED flat panel TV
- Spacious hanging locker
- Overhead halogen lights with dimmer
- Decorative rope lighting underneath bed platform and behind valences
- Custom headliner
- Reading lights with separate switches
- Stereo speakers recessed in headliner
- Storage cabinets, port and starboard sides of bed, teak
- (2) Large storage drawers under bed
- Full carpet runner
- Teak valences
- Mirrored bulkhead

Guest Head, Forward

- Custom granite counter top
- Mirrored vanity
- Teak faced lower vanity
- Custom wallpaper
- Amtico flooring
- Two-piece shower door
- Additional overhead lighting
- Custom rope lighting under vanity

- Headhunter head

Guest Stateroom, Starboard Aft

- Side by side twin berths with lift-up storage underneath
- Orthopedic mattresses
- Air conditioning controls
- Custom bedspread
- Custom carpet
- Full carpet runners
- Spacious hanging locker
- Overhead halogen lighting with dimmer
- Custom headliner
- Reading lights recessed in headliner with separate switches
- Stereo speakers recessed in soffit tied into salon stereo with volume control
- Storage drawers located under hanging locker
- Custom wallpaper
- Sharp Auqos TV
- Additional overhead lighting
- Additional 110V Outlets

Guest Head, Ensuite

- Custom granite countertop
- Mirrored vanity
- Teak faced lower vanity
- Custom wallpaper
- Amtico flooring
- Additional overhead lighting
- Custom rope lighting under vanity
- Two-piece chrome shower door
- Headhunter head

Flybridge

- Custom Stidd helm chairs
- A/C
- Full EZ2CY Enclosure
- Non-skid deck for traction and durability
- Power assist steering
- Deep flybridge freezer
- Recessed electronics boxes in console for custom electronics package that is easily viewable

and protected from the elements by acrylic fitted lids with gaskets and stainless steel gas pistons

- Recessed radio boxes, large radio box on port and starboard side of console with switch panel inside
- Refrigerated top-loading chill box at forward end of console
- JL Audio stereo speakers
- Trim tab control switch mounted at console
- Under helm access with lights and storage room
- Fiberglass helm pod with single lever electronic controls
- Bow thruster with controls in pod handles
- Stainless steel steering wheel
- Electronic trolling valve controls
- Fire system control with automatic and manual discharge and override system located at console
- Freshwater outlet
- Fuel gauge located in cabinet at console
- Engine shutdown switches
- Moritz Safety monitoring system with audible and visible alarms
- Windlass controls
- Molded Quartz lights
- Overhead hatch
- Additional lighting overhead
- Caterpillar engines displays
- (2) ACR Spotlights
- Clarion stereo system
- JL Audio speakers
- 12 Volt charger

Electronics & Navigational Equipment

- Furuno Navnet 25 kW Radar with 6' array
- (3) 17" Furuno LCD Displays
- Furuno BB VX2 sounder
- 1 kW 50/200 KHZ Transducer
- Sirius weather
- Furuno RD30 depth/speed
- Icom 604 VHF
- (2) Additional command mic instrumentation; (1) in stateroom, (1) in salon
- Furuno Navnet autopilot
- Digital cellular amplifier
- (2) ACR Spotlights
- NVTI Thermal imaging camera
- Ebex engine room camera system
- Clarion stereo system on flybridge

- KVH M76 24" Sat TV dish
- Paradox alarm monitoring system

Deck Equipment

- Fresh water washdown at bow inside locker
- Lewmar windlass
- Custom hull color
- Fiberglass thru hulls
- Underwater exhaust
- Awlgripped bilges
- Painted rub rail to match hull
- Extended bow rail aft

Electrical System

- 24V DC ship's service throughout
- 24V/12V power supply with breakers on flybridge for future electronics
- 110V outlet in engine room on aft bulkhead
- Anchor light/navigation lights
- (2) Batteries, independent 24V banks mounted in fiberglass storage boxes, maintenance free
- (2) Battery chargers, with thermal cutoff and switching system for complete integration
- Battery distribution panel with battery cutoff and charging system breakers
- Battery parallel system for main engines and generator start
- Bonded electrical system with ground plate
- (2) 21.5 KW Onan Generator, E-QD (electronic quiet diesel) Series
- (2) Glendinning cablemasters
- Instrument panel lights for flybridge and main electric panel
- Overhead Halogen lights recessed in ceiling and rope type decor lights concealed by upholstered valances, 24V AC and 24V DC
- Master electrical control panel located in salon with 24V/120V circuit breakers, individual switching for shore 1, shore 2, or generator supply and gauges for electrical supply, voltmeter, amp meter, and frequency
- Receptacles, 120V duplex with GFI throughout
- Sub-panel located in galley for galley appliances, galley lights, gauge for water tank and alarm panel for safety monitoring system
- Voltage stabilizer isolation transformers for more consistent, cleaner voltage

Engine Room & Mechanical Equipment

- Twin Caterpillar C32 Acerts 1825HP with 1175 hours
- Air Conditioning - direct expansion zoned with reverse cycle heat for complete climate control

throughout the interior and with individual temperature controls for staterooms and salon

- Bilge pumps with additional clean out pumps in keel area linked into monitoring system and connected to float switches for automatic and manual operation
- "Delta T" engine room ventilation system with supply and discharge fans for proper fresh air supply and water intrusion suppression
- Engine room entrance gauge package consisting of digital tachometer, engine water temperature, engine oil pressure and remote mounted
- Engine room cameras
- Engine start and stop switches for easier viewing and accessibility
- External sea strainers for main engine pick-ups
- Fire suppression system, automatically or manually operated and tied into main engine and generator ignition systems with override
- Fresh water supply in engine room for general maintenance and cleaning
- Fuel and oil lines, flexible, steel reinforced USCG approved, aircraft type
- Fuel priming pumps for main engines, electric
- Fuel transfer system, 24V DC pump
- Fuel/Water separator filters for main engines and generator, "dual" filters for main engines. Glass bowl type, top-loading for convenient
- Dual stage variable speed 110V A/C freshwater system with on deck freshwater fill and cockpit dock supply inlet with pressure reducing valve
- Hour meters on main engines and generator
- Internal sea strainers for generator, air conditioning and all other sea water pickups
- Oil changing system, gear type pump for main engines, transmissions, and generator with pump outline run to cockpit locker
- Power assist hydraulic steering
- Seacocks, bronze, ball-type sea valves and strainers for all thru-hulls below the water line-painted snow white Awlgrip
- Trim tabs with center, port and starboard dual piston tabs recessed in transom, individual controls with covers
- Underwater/Stringer exhaust reduces engine exhaust back pressure. Cleaner exhaust discharge and improved utilization of area under the cockpit
- Water heater -20 gallons, quick recovery, electric

Remarks

In twenty five years in the yachting industry I have yet to have represented a better maintained, high quality vessel. The attention to detail in all aspects of this boat are spot on, and the meticulous owner takes great pride in this never-fished vessel.

Yeshua is absolutely stunning!

Exclusions

Owner's personal belongings.
