Overview

OWNER TRANSFERRED, BOAT HAS TO GO!! EASY TO SHOW IN FORT LAUDERDALE!

“SeaDann” is built to perform with style and comfort. She is fast, easy to sail, stable and comfortable. The Bergstrom & Ridder (B & R) rig was a major innovation in sailing technology providing a simple, yet powerful, sail plan with no backstay, that's easy to tack and handle. Thoughtful touches abound, like a sail design that incorporates a fractional rig, swept-back spreaders and a full-roach main. Eliminating the need for a backstay improves sail efficiency and ease of handling. The exterior design of the 430 include a wraparound windshield, integrated mainsheet arch with instrument pod, two-tone non-skid deck, walk-through transom, and a huge cockpit with wheel steering. A slippery but stable hull design incorporates a bulb wing keel and a spade rudder. Below deck are the amenities that make Hunter famous. A huge salon with plush seating, gourmet galley and twin staterooms, each with enclosed head and shower.

Vessel Specifications

Accommodations

The Hunter 430 features an expansive interior beginning forward with a private head that features a Corian counter top, combination shower, three storage cabinets, and a hatch overhead. The toilet is concealed beneath a fiberglass shower seat when not in use. The forward guest cabin is just aft with large twin Pullman-style berth to starboard and hanging locker and vanity with seat to port.

Coming aft one passes the spacious galley with everything a gourmet cook would desire. Opposite to starboard is the dining/lounging area with its teak dining and

convertible cocktail table surrounded by comfortable light blue velour settees.

Aft of the salon is the well-equipped navigation area which is forward-facing for easier navigation and features a flip-top chart table and very comfortable upholstered seat. It is well laid out with electric breaker panel, genset panel, tank monitor, Electricity monitor and other instruments at eye level. On centerline is the engine compartment with the steps leading topside.

To port is the double entry aft head, again with Corian counter top, shower and a door leading to the owner's aft cabin.

This aft cabin is truly luxurious and can be accessed from either the salon or through the aft head. It features a very roomy athwartships double berth. Additional features include a louvered opening to the salon, 4 opening ports, 2 lockers, 3 storage compartments and reading lights.

This is one yacht where two couples will certainly enjoy privacy with comfort of weekends or longer trips to the Caribbean and beyond.

Galley

- 3 Burner propane stove with oven
- Corian countertops
- In counter trash bin
- Double SS galley sink
- Cold plate refrigeration with separate freezer
