Overview

This Formula 48 PC is a beautiful example of Formula's 48 Yacht. She was ordered new in Saudi Arabia by her current owner and has been lightly used with only 275 hours. She was shipped back to the States and is currently berthed in a covered slip in New Orleans, Louisiana. She has all the major notable options, including helm A/C, a hydraulic swim platform, Cummins QSM diesel power and the list goes on. Her owner is getting out of boating and has priced her to be the next 48 to sell, so put Cheetah at the top of your list!
