SPECIFICATIONS

Overview

In July of 2013 we had a pair of 2014 300 Yamaha 4 stroke outboards, Garmin 24 mile (dome) Radar, Garmin 5212 touch screen GPS Map-Depth/Fish finder and a Garmin VHF radio installed. The motors now have about 330 hours. The Yamaha factory warranty runs through July 2016. The boat has all the standard factory equipment and a stand up head with shower, stereo/CD player, heat/air conditioning, micro wave, 2 burner electric/alcohol cook top, hot water heater, outriggers, center rigger, fish box, live well, tackle-rigging center, cockpit spreader lights and an electric windlass. There are 8 rod holders in the cockpit plus an 8 rod rocket launcher and a lot of rod storage storage in the cabin. There was a generator that turned to rust, so we had it removed. All the factory wiring and exhaust is still there. The 2 cranking and 2 deep cycle house batteries were replaced in June 2014. The captain's chair, cockpit bolsters and all the cabin and exterior cushions are in very good shape. This boat has a bench seat to port. There is also a full enclosure.

Basic Information
