DETAILED INFORMATION

Don't Blink

Don't Blink is the 56' Viking you have been waiting to come on to the market. It carries those details sought after in a 56' of this vintage, such as, the cross over split berth VIP forward stateroom, newer style L-shaped bunks in the third starboard aft stateroom and granite counter tops throughout. Don't Blink is also powered with the reliable, preferred MTU M91 1520hp engine package - offering a comfortable cruise of 32.5 knots with a top end of 38 knots. Don't Blink has been further complimented with the edition of the very desirable & functional cockpit mezzanine with full refrigeration capabilities.

The vessel is additionally complimented with features such as the custom teak transom, new Dometic ice machine with remote, 600 GPD water maker, SAT TV and an upgraded Bluewater chair package for the flybridge and cockpit. Don't Blink just underwent its recent full engine service & received a new flybridge enclosure, new flybridge cushions in Buckskin, new autopilot and new cabledmaster with white cord. Don't Blink should be on your radar if you are seeking out excellent value in a very desirable, well performing, long range, model offered by Viking.
