DETAILED INFORMATION

Vessel Walkthrough

Upon entering the well-appointed salon, you immediately notice her sophistication. The interior layout is magic and is the owner's second Weaver build. Starting with a book matched satin finished teak interior throughout, giving it a very rich feel, along with beautiful timeless earth tone fabric and leather accents. The custom salon L-shaped sofa seats six with storage below. This area is shared with a lavish Hi-Lo table for dining. Over to port houses the pop-up 55" Samsung television with a full entertainment center. Moving to the center island galley which has (3) custom teak bar stools, (6) SubZero refrigerated drawers and elegant Corian countertops. The galley also features gourmet appliances, great counter space and satin wood flooring. Across to starboard is the oversized dinette area which seats six and is accented by a beautiful teak table. Moving forward of the galley area, you will find the huge pantry which houses (2) SubZero freezer drawers along with very large storage capacities for extensive traveling. Over to starboard houses the large laundry room with storage for cleaning supplies. Moving down the companionway, off to starboard and down several steps, features the full beam master stateroom. This stateroom is magnificent, surrounded by lavish satin teak wood and a full size king berth with storage below. Storage is plentiful from large drawers to several full hanging lockers. The master head contains an oversized shower with beautiful wood floors and great storage. Moving forward to starboard is the over/under berth guest stateroom with ample storage and its own head and shower. Across to port is the VIP suite, which features an oversized queen berth with storage below. Accented by teak wood and beautiful fabrics, this stateroom is amazing. There is fantastic storage throughout and a beautiful full head with a large shower and wood floors. Moving all the way forward to the bow area, features the second VIP stateroom with an oversized queen berth with storage below. It has great storage throughout and its own terrific full head with a large shower and wood floors.

Remarks

This 75' Weaver is better than NEW! With only 115 hours, she has been completely debugged and is ready to go. She is fast, economical and has an epic ride. The beauty is, you can have it now without the 3-year wait and unexpected costs - she is ready now! Her owner enjoyed the building process so much, he is going to start a larger Weaver. Don't miss this one - it is the premier boat!

Exclusions

Owner's personal belongings.
