# SPECIFICATIONS

---

## Overview

---

"Family Jewel" accommodates six owners/guests in three staterooms and she features an ample almost full-beam salon and full-beam master stateroom.

## Basic Information

---

**Category:** Motor Yacht

**Sub Category:** Flybridge

**Model Year:** 2006

**Year Built:** 2006

**Country:** United States

**Fly Bridge:** Yes

## Dimensions

---

**LOA:** 64' 0" (19.51m)

**Beam:** 18' 2" (5.54m)

**Max Draft:** 4' 8" (1.42m)

## Speed, Capacities and Weight

---

**Cruise Speed:** 27 Kts. (31 MPH)

**Max Speed:** 32 Kts. (37 MPH)

**Displacement:** 116700 Pounds

**Water Capacity:** 265 Gallons

**Holding Tank:** 95 Gallons

**Fuel Capacity:** 1515 Gallons

## Accommodations

---

**Total Cabins:** 3

**Sleeps:** 6

**Total Heads:** 3

---

## Hull and Deck Information

---

**Hull Material:** Fiberglass

**Deck Material:** Fiberglass

**Hull Configuration:** Modified V-Hull

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Caterpillar

**Model:** C-30

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Walkthrough

---

The aft deck accesses the swim platform from the starboard transom through a stainless steel gate. The platform and stairs to the aft deck are soled in teak. There are shore power connections, transom shower, swim ladder, and additional pop-up cleats. The aft deck has a comfortable curved settee and custom table. The aft deck also has a teak sole, as does the molded fiberglass stairway to the bridge on the starboard side. There is a large storage compartment below these steps. The Lazarette and engine room access hatch is located in the center of the aft deck sole. The utility storage in the Lazarette is abundant, and the engine room offers a well-lit and spacious working area.

The walk-around access to the foredeck is wide and safely protected by stainless railing. The foredeck features a large sun pad with cover, and ground tackle. The flybridge has a centerline helm with unparalleled visibility forward. Twin helm seats and an L-shaped lounge with storage underneath provide ample seating, and a wet bar with refrigerator to starboard keeps entertaining options open.

*“Family Jewel”* features an almost full-beam salon while still providing an ample 10 inches of side decks for access to the bow. There are custom furnishings and an entertainment center with a custom 43" Plasma TV with satellite reception mounted forward and to port.

Just three steps up, the salon opens into the galley, dining and pilothouse area. The galley is fully-equipped with upgraded top-of-the-line appliances, arranged in a U-shape for cooking convenience. Upper and lower cabinets provide plentiful galley storage. Directly to port is a comfortable dinette with custom wood table and settee seating. The lower helm station features single lever electronic controls and a complete custom electronics package. There is also a 13" flat panel TV in this area.

Below deck a full-beam master stateroom features a tray ceiling with 83 inches of headroom. Twin nightstands, dressers and wardrobes mirror each side of the king size berth. Dual hanging lockers add to the tremendous storage. For entertaining, an upgraded 32" flat panel TV with satellite reception is provided along with a stereo DVD player, and surround sound. A spacious port guest stateroom features side by side twins, while the bow stateroom features a queen berth hinged with cedar-lined storage. Both have upgraded 20" LCD TVs with satellite reception.

---

## Aft Deck

---

- Polyplanar stereo speakers with volume control
- Recessed lighting

- Molded bench seating with vinyl covered polyfoam cushions and cover
- Custom aft deck table of solid wood
- Fiberglass stairwell from aft deck to bridge deck
- Hatch in center of aft deck, hinged with gas assisted cylinders, for lift up access to utility and engine compartment
- Drop down wing station w/clutch, throttle, and bow thruster controls (option)
- Sea ladder with storage brackets (option)
- Shoreline inlet forward 50 amp/240 volt (on foredeck)
- (2) 240 volt, 50 amp transformer connected Glendenning CableMaster
- Retractable shore cords with over-current protection, port sport deck
- Teak decking systems - aft deck, including 2 steps to swim platform and platform itself
- Swim platform integral to hull
- Utility area with large storage space and chest freezer
- Aft deck cushions/throw pillows, all covered in Sunbrella outdoor fabric

## Salon

---

- Genuine African Mahogany wood bulkheads with high-gloss polyester finish
- Carpeting
- Whisperwall headliner
- Fluted wood valances and Duette blinds in recessed pockets
- Entertainment center with Marantz 43" Plasma TV with satellite receiver, AM/FM surround sound stereo receiver with DVD/CD player, and master distribution center
- Polk stereo speakers
- Fixed frameless windows with tinted safety glass
- Automatic shades via Crestron remote
- Telephone outlet
- AC and DC light fixtures
- AC Dimmable lights
- AC Duplex outlets
- Custom sofa with storage
- Throw pillows
- Air conditioning dispersed through decorative valances
- DC Low level lighting behind salon valances, port and starboard
- (2) Barrel chairs
- Smoke detector
- SMX HVAC compartment controlled air conditioning and heating
- Wine cooler
- Icemaker
- Silver audio package modified with upgraded television receivers
- Granite on top of cabinet that holds icemaker and wine cooler

- Carpet runners, from aft salon door to dinette/galley, down stairwell, covering lower companionway
- Cocktail table
- Lamps

---

## Galley

---

- Fisher & Paykel single drawer dishwasher
- Galley/dinette/pilothouse flooring, Amtico Rosewood w/accent strip
- Sub Zero #700BC 2-drawer refrigerator and freezer
- GE Advantium 120 stainless steel oven
- Kitchen Aid 4-burner glass touchpad cooktop
- Trash compactor
- LCD TV with satellite reception
- Galley countertops - American Tile
- Upright washer and dryer (located in lower companionway)
- Cappuccino Onyx
- Dinette countertop - A.J. Originals solid wood table top
- Large oval dinette to port with upholstered seating

---

## Pilothouse

---

- Hydraulic power assisted steering
- Ritchie Powerdam compass (Black)
- Northstar 6100 15" Plotter/monitor
- Furuno 15" monitor for viewing
- Furuno black box with GPS, 72 mile radar/plotter/depth/speed/distance/water temperature, 1kW depth sounder, remote cameras (1/aft, 1/engine room)
- Furuno 6ft. open array
- Furuno Navnet VX2 software
- Nobeltec Navigation software
- Weatherworks
- Icom IC-M602 VHF radio with remote command mike on flybridge
- Simrad AP25 autopilot
- Simrad IS15 Depth and water temperature
- MARPA
- ACR Point pad URP-102 remote searchlight
- Hatteras systems monitor and alarm
- Windshield wiper and washer control panel
- CAT Electronic engine multi-purpose display panels, lower helm and bridge helm
- CAT Electronic engine controls
- American Bow Thruster hydraulic bow thruster controls

- Trim tab controls
- Dual air horn control
- Xantec MRC88 8-zone A/V Controller/Amplifier
- Universal RF control for A/V
- (2) Net Gear wireless internet
- Cellular phone signal booster
- Sea Fire manual fire system over-ride
- Elbex camera EXS126 for engine room and aft deck monitoring

---

## Master Stateroom

---

- Genuine African Mahogany wood with high-gloss polyester finish and padded panel bulkheads
- Carpeting
- Whisperwall headliner
- Upholstered berth base
- Fluted wood valances with shades
- Air conditioning dispersed through decorative fluted wood cornice, port and starboard
- King size tapered berth with upholstered headboard
- Mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets
- Portlights, port and starboard
- Twin cedar-lined wardrobes with doors and automatic lights
- Nightstands with drawers
- Dressers with drawers, port and starboard
- Sharpe 32" LCD with Direct TV satellite reception
- Denon AM/FM stereo receiver with CD/DVD player
- Polk stereo speakers
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Telephone outlet
- Private access to head
- Full-length mirror
- Smoke detector
- DC low level lights under berth
- SMX HVAC compartment controlled air conditioning and heating

---

## Master Head

---

- Amtico vinyl strip flooring
- Whisperwall headliner

- Wall covering
- Countertop with backsplash, and integral sink
- Tiled shower
- Storage cabinet with mirror
- Genuine African Mahogany wood base cabinet with gloss finish, storage and bowed fronts
- Plexi mirror around forward cabinet
- Plexi mirrored ceiling
- Towel bar
- Freshwater toilet
- 120 Volt AC exhaust blower
- AC and DC lights
- AC Duplex outlet
- Air conditioning vent
- DC Low level lights under to kicks
- Holding tank  $\frac{3}{4}$  full indicator light

## VIP Stateroom

---

- Carpeting
- Whisperwall padded panels on hull side
- Whisperwall headliner
- Wall covering
- Genuine African Mahogany wood bulkheads with high gloss polyester finish
- Queen-sized tapered berth with upholstered headboard and cedar lined storage below accessed via pneumatic cylinders
- Upholstered berth base
- Mattress, spread, throw pillows, pillows, shams, mattress pad and sheets
- Nightstands port and starboard
- Mirrored forward bulkhead
- Anchor chain storage locker with divider
- Cedar-lined hanging locker with door and automatic light, port and starboard
- Screened overhead hatch with privacy cover
- Sharp 20" LCD TV with Direct TV satellite reception
- Polk stereo speakers with volume control
- AC and DC light fixtures
- AC Dimmable lights
- AC Duplex outlets
- Private access to head
- Overhead storage cabinets port and starboard
- Smoke detector
- DC Low level lights under berth
- Air conditioning dispersed through decorative fluted wood valances, port and

starboard

- SMX HVAC compartment controlled air conditioning and heating

---

## VIP Head

---

- Amtico vinyl strip flooring
- Wall covering
- Whisperwall headliner
- Avonite Desert Ridge backsplash, side splash and countertop with integral sink (option)
- Baseboards
- Stall shower with seat, sliding door and automatic sump pump
- Towel bar
- Genuine African mahogany wood base cabinet with gloss-finish and storage
- Storage cabinet with mirror
- Plexi mirror around upper cabinet
- Plexi mirrored ceiling
- Freshwater toilet
- 120 Volt AC exhaust blower
- AC and DC light fixtures
- AC Duplex outlet
- Air conditioning vent
- DC Low level lights under toe kicks
- Holding tank  $\frac{3}{4}$  full indicator light

---

## Guest Stateroom

---

- Genuine African Mahogany wood and padded panel bulkheads with high gloss finish
- Carpeting
- Whisperwall headliner
- Side-by-side twin berths with storage under outboard berth
- Polyfoam mattresses, throw pillows, pillows, pillow shams, mattress pads and sheets
- Fabric headboard
- Cedar- lined hanging locker with door and automatic light
- Full-length mirror
- Aft bulkhead mirror
- Sharp 20" LCD TV with Direct TV satellite reception
- Polk stereo speakers with volume control
- AC and DC light fixtures
- AC Dimmable lights

- AC Duplex outlet
- Smoke detector
- Air conditioning dispersed through fluted wood valance
- Nightstand with drawers
- SMX HVAC compartment controlled air conditioning and heating

---

## Guest Head / Day Head

---

- Amtico vinyl strip flooring
- Wall covering
- Whisperwall headliner
- Avonite Desert Ridge backsplash, side splash and countertop with integral sink (option)
- Baseboards
- Stall shower with seat, sliding door and automatic sump pump
- Towel bar
- Genuine African mahogany wood base cabinet with gloss-finish and storage
- Storage cabinet with mirror
- Plexi mirror around upper cabinet
- Plexi mirrored ceiling
- Freshwater toilet
- 120 Volt AC exhaust blower
- AC and DC light fixtures
- AC Duplex outlet
- Air conditioning vent
- DC Low level lights under toe kicks
- Holding tank  $\frac{3}{4}$  full indicator light

---

## Electronics

---

- Ritchie Powerdamp compass (white)
- Hydraulic power assisted steering
- Northstar 6100 15" Plotter/Monitor
- Furuno 15" Monitor for viewing:
- Furuno Black Box with GPS, 72 mi radar, plotter, depth, speed, distance, water temperature, 1kw depth sounder, remote cameras (1 aft, 1- engine room)
- Furuno Navnet VX2 software
- Nobeltec Navigation software
- Weatherworks
- Icom IC-M602 VHF radio with remote command mike in pilothouse
- Icom IC-M602 remote command mike for VHF in pilothouse
- Simrad AP25 auto pilot

- Simrad IS15 Depth and water temperature
- MARPA
- ACR Point pad URP-102 remote searchlight
- Hatteras systems monitor and alarm
- Neutral interlock switches allowing engine to start in neutral only
- CAT electronic engine multi- purpose displays - lower and bridge helm
- Caterpillar electronic engine controls
- American Bow Thruster hydraulic bow thruster controls
- Trim tab controls
- Dual air horn control
- Xantec MRC88 8 zone A/V Controller/Amplifier
- Sea Fire manual fire system over-ride

---

## Fore Deck

---

- Sun pad on bow deck
- Sun pad cover
- Forward deck storage
- Fresh water wash-down
- Windlass with anchor and all chain rode

---

## Deck Equipment

---

- Welded and polished 316L stainless anchor chute and roller
- 75 Lb. plow anchor and 300' Accuboy 5/16" chain rode
- Deck hawse pipe
- Maxwell 1700 lb. windlass with deck mounted control switches
- Sun pad on bow deck
- Sun pad cover
- Remote controlled searchlight
- Fog Bell
- Dual Air horns
- 1100 lb. Fully hydraulic davit
- Novurania 11' Center console fiberglass bottom tender and 40 HP Yamaha 4-stroke outboard engine
- Walk-around side decks
- (2) Pop-up cleats on swim platform
- Fenders and black dock lines
- Deck plates for fuel and water fills and waste pump out
- Fresh water wash-down foredeck and flybridge

## Electrical Equipment

---

- 21.5 kW Onan generator Model: 21.5MDKBE-3040 60hz with 1800 hours
- 9 kW Onan second generator Model: 9MDKAV-2918B 60hz with 500 hours
- Generator Hours: Port-1800/Starboard-500
- Generators equipped with Racor 500MA fuel filters
- Freezer in utility room
- 86,000 BTU air conditioning with reverse cycle heating, with A/C compressors individually controlled by SMX controls in each compartment
- (2) 24 Volt banks of heavy duty, 12 volt marine batteries (4) DEKA 908Ds
- Fiberglass battery boxes
- Mastervolt 240 volt automatic programmable battery charger 50/60 Hz
- Guest Model 2432 Battery Isolator
- Automatic battery paralleling system with switch at control console
- Battery control panel with fuses and isolation switches
- DC electronics panels with magnetic circuit breakers
- AC distribution panels with magnetic circuit breakers
- (2) 240 Volt, 50 amp transformers
- Glendinning CableMaster retractable shore
- AC switching panel with source selector switches, digital volt meter, ammeter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers
- Hatteras systems monitor with programmable logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke detectors and holding tank  $\frac{3}{4}$  full monitor
- Ground fault protection on AC receptacles and lighting circuits
- Telephone/CATV inlet, port sport deck
- Telephone/CATV shoreline cord
- (3) Satellite television receivers

## Lazarette

---

- |   |                                   |
|---|-----------------------------------|
| • GE Chest freezer                            | • Rudder table access             |
| • Fender and Line hangers and storage         | • Underwater light service access |
| • Fresh water system pressure stabilizer tank | • Engine room door to engine room |
| • Fresh water system manifold                 | • Light switches                  |
| • Mach 5 high volume fresh water pump         | • Awl gripped bilge surfaces      |

## Engine & Mechanical Equipment

---

- Caterpillar C-30 Twin diesel, 1550 HP, freshwater cooled main engines with electric marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and sea strainers
- Port Engine Serial: CLX02695
- Star Engine Serial: CLX02696
- Dual Racor751000MAX fuel filters on each engine
- Starboard engine has Rexroth PTO for hydraulic pump component
- ZF Gears with 3.519:1 ratio
- Port Gear Serial: 50015235
- Star Gear Serial: 50015236
- (2) Fuel transfer pumps
- Integral manganese bronze struts and Alloy 22 HS shaft with zincs
- Stainless steel rudders
- 7-blade Nibral high performance propellers
- Prop removal tool
- Alloy 22 - 3 ½" high-strength propeller shafts
- Manganese bronze dripless shaft and rudder seals
- 316L stainless steel trim tabs
- Central vacuum (2 outlets)
- American Bow Thruster dual prop 16 HP hydraulic bow thruster
- Sea Star Hydraulic steering system
- Holding tank with sewage pump and overboard discharge
- Heavy duty bronze engine couplings
- Engine and generator exhaust exits through hull side near transom
- Generator exhaust/water separator
- Water manifold with centralized shut off valve for sinks and showers
- AC fluorescent lights
- DC lights
- DC exhaust blower
- Oil change system for engines, transmissions, generator
- 86,000 BTU air conditioning with reverse cycle heating, with A/C compressors individually controlled by SMX controls in each compartment
- FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- Fiberglass air intake system for engine room and engine combustion air with baffling and filters to minimize water intrusion
- Electric fuel transfer system with filtration and dry tank protection for pump
- Freshwater fill hose for engines and generator
- AC compressed air system with air line and regulator
- Dockside water inlet with pressure regulating valve and Hatteras patented quick-disconnect
- 24-volt DC bilge and sump pumps: 5 at 2000 gph and 3 at 3700 gph, with heavy-

duty float switches and protective guards

- Bronze/chrome ball valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout
- Pressurized 230 volt AC fresh water pump with central charcoal filter
- Fresh water DC back up pump
- Thru hulls and wiring for future installation of water maker (option)
- 230 volt AC 30 gallon electric water heater
- U.L. Marine listed fiberglass fuel tanks constructed with fire retardant resin with bronze fittings and coated with fire retardant paint
- Fiberglass water tanks, constructed with FDA approved resin, with bronze fittings
- Sewage holding tank with 24 volt DC sewage pump, plumbed for dockside pump out with  $\frac{3}{4}$  full display and alarm as part of systems monitor programmable logic controller
- U.L. Marine listed fuel filter/water separator, generator and engines
- Sealed shower sump, one each shower
- Electric engine fuel priming pumps, 24 volt DC
- Painted polyurethane engine room and bilges with rubber deck mat between engines
- Air conditioning compressors
- (3) .5 Hp raw water pumps for air conditioning compressors
- USCG type A1U.L. Marine approved fuel lines
- Discharge sea chests
- Digital monitoring for main engines in battery panel
- Start and stop switches and hour meters
- Awl gripped bilge surfaces

---

## Exclusions

The Owner's and Crew's personal belongings. A detailed list of exclusions will be provided at the time of sale, upon written request.

---

## Exclusions
