SPECIFICATIONS

Overview

The first impression that you have looking at the Bertram 450 with its new rounded lines is that it still has the recognizable Bertram profile. Further inspection reveals positive innovations to the classic Bertram. The flybridge arrangement has been designed for fishing, but much attention was also given to the comfort of guests and achieved with the installation of railings in strategic locations and comfortable U-shaped forward seating, again recognizing the market's desire for a premier cruising and fishing arrangement. The rounded console features areas for all necessary electronic and navigation equipment required, and has protective plexiglass covers along with plenty of storage areas, handrails and cup holders.

"MADMACK" is an excellent boat to take the family out in. She is fully equipped with all factory options and is powered with Twin 800 HP MAN Engines. A must see!

Basic Information

Category: Sport Fisherman

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 45' 0" (13.72m)

Beam: 14' 11" (4.55m)

Max Draft: 4' 4" (1.32m)

Speed, Capacities and Weight

Displacement: 35280 Pounds

Water Capacity: 159 Gallons

Fuel Capacity: 528 Gallons

Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Interior Designer: Zuccon
International Project

Engine Information

Engines: 2

Manufacturer: MAN

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

- 120 V AC GFI receptacles
- Air conditioning electronic control
- AM/FM stereo w/ CD player
- Carpeting
- Drawer under bed
- Foam Mattress w/ spread, pillows shams
- Hanging locker, stbd
- Hullside storage shelves
- Lighting, 120V AC and 24V DC port, w/ TV shelf
- Opening hatch with shade
- Queen-size berth w/ storage beneath
- Sheets/Pillowcases (white), one set
- Shelf TV with antenna cable (TV optional)
- Vinyl headliner

Starboard Guest Stateroom

- 120V AC receptacles
- Air conditioning electronic control
- Berths, twin, w/ drawer storage beneath
- Carpeting
- Foam mattress w/ spread, pillows shams
- Hanging locker, full height
- Lighting, 120V AC and 24V DC
- Sheets/pillowcases (white), one set
- Vinyl headliner
- Vinyl wallcovering

Master and Guest Heads

- 120V AC GFI receptacles
- Designer countertops and sinks
- Exhaust blowers
- Lighting, 120V AC and 24V DC
- Opening hatch with shade
- RARITAN Atlantis toilet system, electric
- Stall shower w/ door

- Vanity locker w/ sliding mirror panels
- Vinyl flooring
- Vinyl headliner
- Vinyl wallcovering

Galley/Dinette

- 120V AC Marwell refrigerator
- Cooktop, two burner
- Designer countertops and sink
- Designer storage cabinets
- Dinette, L-shaped w/ table
- Lighting 120V AC
- Microwave oven
- Single lever hot and cold faucet
- Vinyl flooring
- Vinyl headliner

Salon

- 120V AC receptacles
- Air conditioning electronic control
- Carpeting
- Cocktail table
- Dry bar w/ bottle storage
- Electrical distribution panels
- Entertainment center w/ color 20" TV
- Lighting, 120V AC and 24 DC
- Rod locker, concealed in overhead
- Sofa, L-shaped
- Tinted safety glass windows, port and starboard
- Varnished wood paneling
- Vinyl headliner
- Wood blinds

Electrical Systems

Deckhouse:

- 240V/120V AC input and main distribution panel w/ voltmeter, ammeter, generator controls, magnetic circuit breakers and shore power selector switches

- 24V DC main distribution panel w/ voltmeter, ammeter, magnetic circuit breakers and batteries tester
- Alarm monitor panel with:
 - bilge flood signal for three compartments
 - black water tank indicator light
 - high-heat in engine and machinery rooms
- Electrical pump-out for toilet holding tank
- Fresh water level gauge
- Light fixtures, 120V AC and 24V DC
- Radio and cable television system w/ antenna and shore connection
- RARITAN Atlantis toilet system
- Telephone jacks w/ shore connection (salon)

Galley:

- 240V/120V AC appliances distribution panel with magnetic circuit breakers
- 24V DC galley and cabins distribution panel
- Ground fault circuit interrupter receptacles

Flybridge:

- 24V DC flybridge electronics accessory panel w/ magnetic circuit breakers in console
- 12V DC flybridge electronics accessory panel w/ magnetic circuit breakers in console
- Alarm monitor panel with:
 - bilge flood signal for three compartments
 - black water tank indicator light
 - high-heat in engine and machinery rooms
- Battery parallel switch, remote
- Electrical pump-out for holding tank
- Ground fault circuit interrupter receptacles in console
- Main engine control panel

Engine Room:

- 24V DC batteries panel w/ switches for main engines and main battery disconnect switches
- 24V DC fuses for uninterrupted power to bilge pumps, fire and bilge flood monitors
- Air conditioning zoned chilled water
- Batteries (4), heavy duty, 12V DC, two banks of two
- Bonding system, galvanic and electrical
- Converters (1), 40 amp
- Galvanic isolator

- Ground fault circuit interrupter receptacles
- Light fixtures, 24V DC

Engine Compartment and Fuel Systems

- 20 gallon electric hot water heater - 240V
- 8 KW freshwater-cooled, remote start diesel generator w/ exhaust muffler and sound shield
- Acoustical and thermal insulation in the engine room
- Aquamet 17 shafts (2), stainless steel
- Blowers, engine room (2)
- Bronze rudders and struts
- Emergency bilge water evacuation system, engine driven
- Emergency engine shut-down system
- Engine and machinery room lighting AC + DC
- Fiberglass fuel tank w/ baffles
