SPECIFICATIONS

Overview

Versatility, exclusivity, elegance and performance are the principal features of this almost brand-new Dominator 640. Built in 2014 and coming in "S package" version, which means full optional, the yacht is in immaculate conditions (only 290 engine hours!) and will benefit of the warranty till the end of July 2016. The yacht features 2 ensuite stateroom. The original third one was in fact convert in office during the construction process under decision of the current owner. The sofa in the office along the corridor in the lower deck converts offering accommodation for a fifth guest. Restoring the original layout of 3 ensuite stateroom is however still possible thanks to all the connections for the head arrangement which are just placed behind the wall.
