## Manufacturer Provided Description

---

The 25's distinctive, flared bow, unitized construction, amidships power and deep-V bottom let her handle just about any condition a sport fisherman faces. She's fast and agile, but with an incredibly soft entry. Forward is a full-sized cuddy cabin with V-berth, secure rod storage, a stowable electric head and a storage locker. If you fish through the weekend, you can also have optional galley with refrigerator, microwave and table. Her fishability has been tuned to perfection. Spacious, flush cockpit. Long-range fuel capacity. High, wide gunwales for easy 360° access around the boat. Recessed hawse pipes and rod holders keep lines free of interference. Plus a convenient, large live well/fish box right on the transom.
