SPECIFICATIONS

Overview

This is the one! It is the best value in a beautiful 58 Viking. It was totally painted by American Yacht Yard. The starboard engine was totally rebuilt and the port engine had a top end rebuild approximately 200 hours ago. One generator was replaced. The electronics package is mostly new. Recently all antennas were replaced. It now has Veem propellers. There are many other updates that are too numerous to list. "Knotty Girl" is truly "ready to go" vessel. She has been mostly cruised but is also ready for serious blue water fishing expeditions. Don't miss out on this great buying opportunity.
