## Overview

---

The Sunseeker 40 Portofino has been a popular model for its design, performance, good use of space and a very good list of standard equipment as generator, bow thruster, hard-top and teak cockpit and bathing platform. In the case of "ROSE" the specifications have additionally been improved with the always desirable hydraulic lifting platform capable to hold for instance a Seadoo Spark. You will find on the 40 Portofino the perfect day-boat with a large cockpit area, good size bathing platform and a forward solarium area as large as a 60 footer. Thanks to her accommodation below deck she can also be used as a weekender for family or friends. This 2013 Portofino 40 is currently based in Ibiza and ready for immediate delivery. Please contact us for more details!

## DETAILED INFORMATION

---

### Accommodation

---

This 40 Portofino offers much more space than what you would expect when seeing her from the dock. General comments from clients has always been “she feels very roomy for a 40 feet boat”. The large cockpit area has a seating area on the starboard side that comfortably seats 6 around a teak wooden table. The wetbar is well located and features ice-maker, ice-chest, sink and electric grill. All the cockpit area is sheltered by an electric opening roof. For sun seekers the largest sunbathing area is forward but at the stern there is also the possibility to create a nice sunpad. Below deck, the decoration follows the elegant KFD design using two wood tones as Wenge and Anigre including a beautiful Wenge flooring in the saloon. The layout comprises saloon with table convertible in an extra bed, galley and two cabins that share one toilet compartment. Worth mentioning is that the two single beds of the aft cabin can slide together to form a double bed as seen on the pictures.
