# ХАРАКТЕРИСТИКИ

## Основная информация

Тип судна: Моторная яхта

Модельный год: 2000

Год постройки: 2000

Страна: Puerto Rico

## Размеры

Длина общая: 64' 0" (19.51m)

Ширина: 17' 1" (5.21m)

Макс. осадка: 3' 1" (0.94m)

Трапы: 18' 1" (5.51m)

## Скорость, вместимость и масса

Вместимость воды: 259 Gallons

Объем топливного бака: 878 Gallons

## Размещение

Всего кают: 3

Всего коек: 8

Всего ком. состава: 3

## Корпус и палуба

Материал корпуса: Fiberglass

## Информация о двигателе

Двигатели: 2

Производитель: MAN

Модель: D2848 LE-403 V8

Тип двигателя: Inboard

Тип топлива: Diesel

# ПОДРОБНОЕ ОПИСАНИЕ

## Manufacturer Provided Description

The sleek profile of the Sunseeker Manhattan 64 belies its spacious interior. This yacht delivers the performance one might expect from a craft that was developed from the larger Manhattan 74. The Manhattan 64 is designed with comfortable living in mind for a family and its friends. The accommodation includes a full-width en suite owner's cabin, a double en suite cabin, and a further twin en suite cabin. As well, there is another optional twin en suite cabin which is ideal for crew or guests. Glorious views from the upper lounge make entertaining inside a delight, while the large saloon features a galley and a bar conveniently located both for the saloon and the spacious cockpit. On the flybridge, accessible by a molded staircase from either the saloon or the cockpit, there are double pilot and copilot seats and a large sunlounger. The aft bathing platform has room for a tender, while the optional passerelle - crane gangway can readily be swung out for side-boarding.

## Equipment List
