DETAILED INFORMATION

Vessel Description

"Luna Sea" is a One of A Kind 50' trawler of great size and range making her perfect for extended cruising or living aboard. She offers a walk a round layout, with a pilot house and large bridge deck. With her intricate wood work details and recent soft good updates she is a thing of beauty. This 3 stateroom 3 head boat boast a settee and "watch berth" in her pilot house as well as a galley with a full size fridge/freezer and range oven. Combine this layout with Reliable Cat power and twin 12 kw Northern Lights generators and you have the perfect platform for life on the water.

Accommodations

MAIN DECK:

As you come aboard this great boat you will find an inviting aft deck perfect for an afternoon refreshment or alfresco dining. You can grill the perfect steak on the new Magma propane grill while taking in the scenery. From here you will be drawn into the salon through the varnished teak sliding door.

The open layout incorporates the spacious salon and full galley perfect for entertaining. To port you will find a new leather recliner sofa perfect for watching the new 40" Samsung TV with Trac Vision SAT (2014).

In the galley you will find a complete set of full size Jenn Air appliances (fridge/freezer and range oven) that are sure to make the gourmet cook smile. Not quite up for preparing the perfect meal from scratch? No problem she has a brand new microwave oven. There is more than enough storage for all of your pots, pans, utensils, spices, glass and table ware.

Forward is the large Pilot House with an adjustable Todd captains chair, an L shaped settee and a "watch berth". Storage abounds in cabinets and drawers for all of your charts, cruising guides and manuals. Up here you will also find a complete navigation station with the breaker panel and stabilizer controls.

LOWER DECK:

From the main salon you will find a private stairway leading to the large aft master cabin retreat. Down here you will instantly notice all of the beautiful warm teak with intricate details. The large center line berth has a new custom made memory foam mattress and bed coverings. There are multiple cedar lined hanging lockers and drawers for all

of your clothing. On the port side you will find the large private head with tub and electric head.

From the pilot house you will find another staircase going down as well. Once down here you will find an impressive V berth forward with 10' of headroom, a spectacular teak sky light and a FULL private head. Moving just aft you will find double berths to both port and starboard in this large 3rd stateroom that has its own full head as well. Both forward staterooms offer a great amount of storage for all of your guest belongings and more.

Mechanical

ENGINE ROOM:

Entering the engine room you will immediately notice the 6'3" of head room. You combine the well thought out layout with work bench and the fact that it is air conditioned and its no wonder everything is so clean. Its an actual pleasure to work in this space. You have complete access to both engines, generators, AC and fuel filters.
